

SEWING, EMBROIDERY, LASER CUTTING & PUNCHING TECHNOLOGY

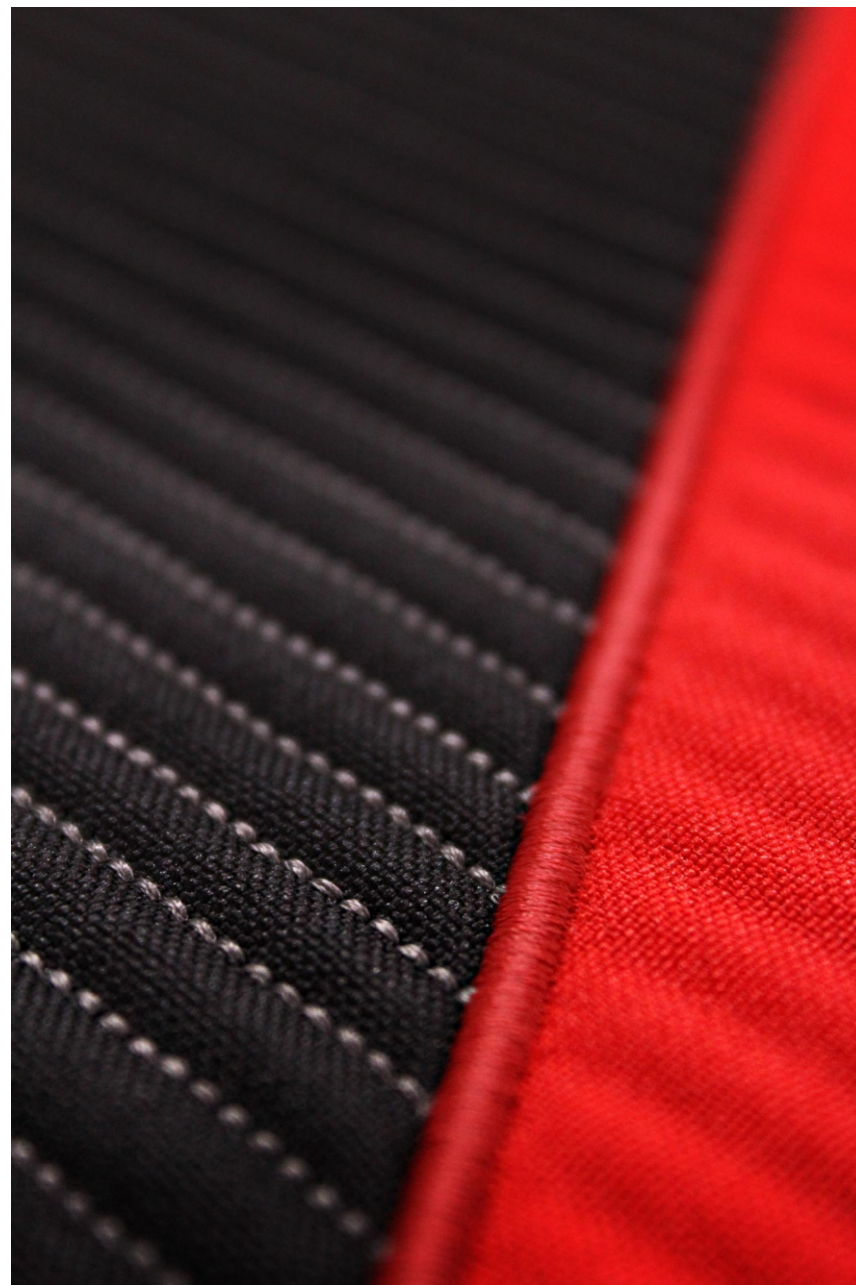

TÉCNOLOGIAS DE COSTURA, BORDADO, CORTE A LASER E PUNÇÃO

01

► Embroidered Fabric / Tecido bordado

01

► Embroidered Fabric close-up / Pormenor tecido bordado

03

► Embroidered Fabric / Tecido bordado

03

► Embroidered Fabric close-up / Pormenor tecido bordado

07

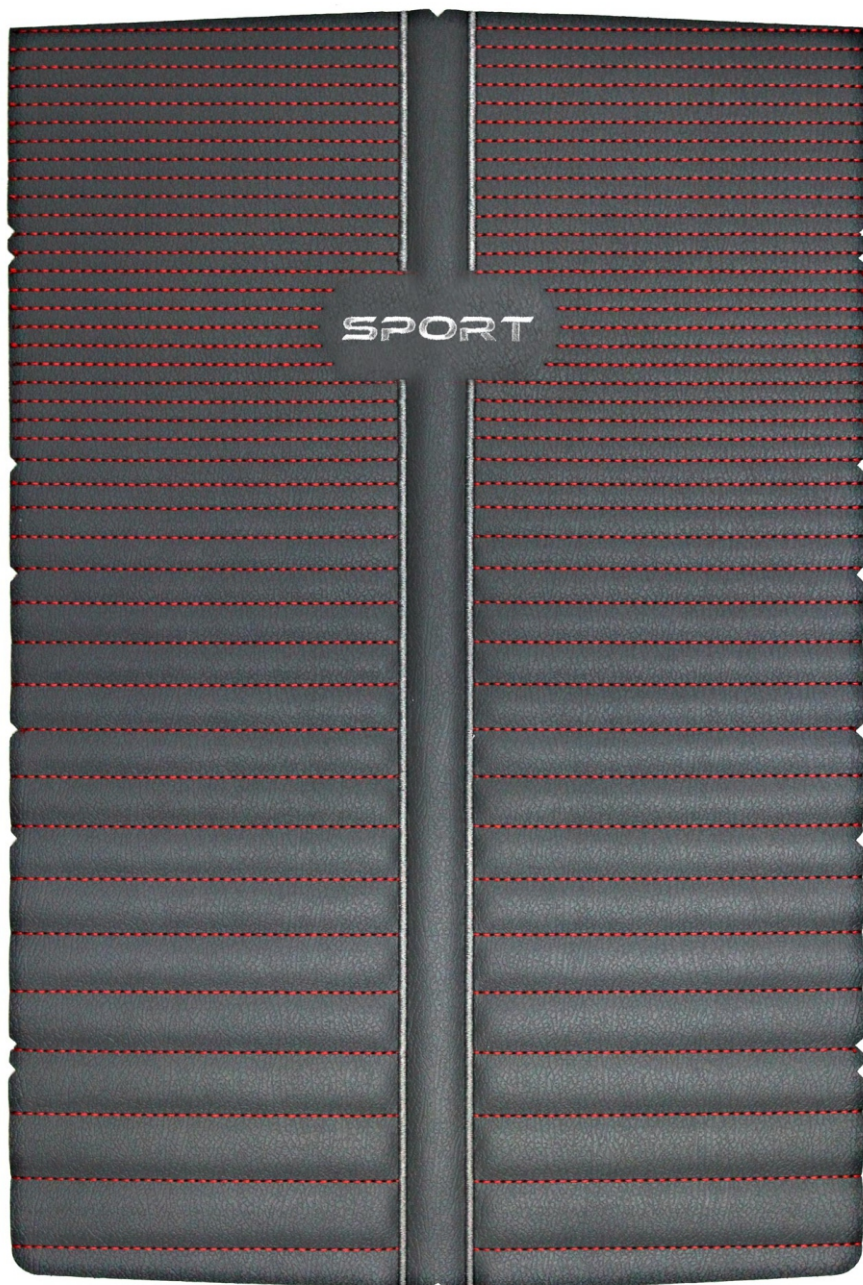

► Embroidered Fabric / Tecido bordado

07

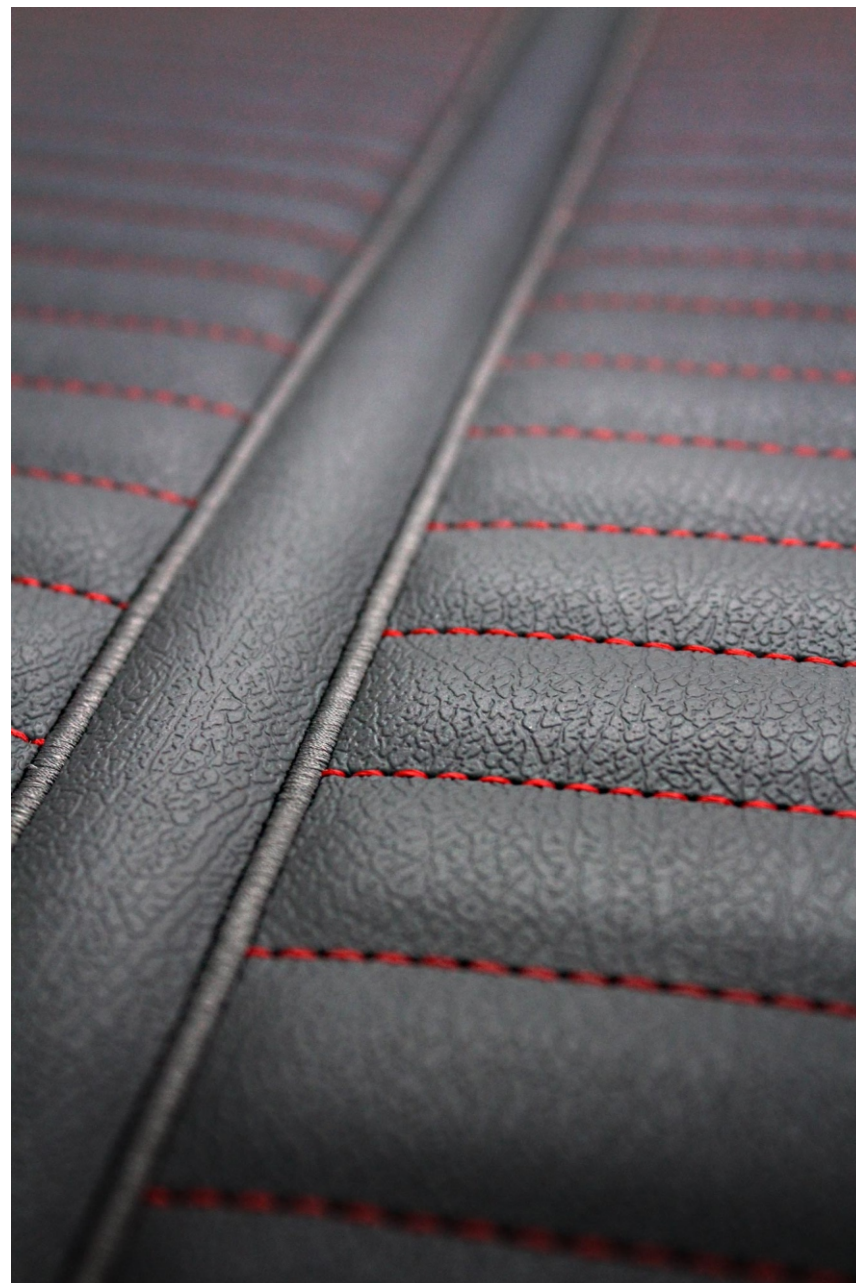

► Embroidered Fabric close-up / Pormenor tecido bordado

02

► Embroidered Leather & PVC / PVC e Pele bordada

02

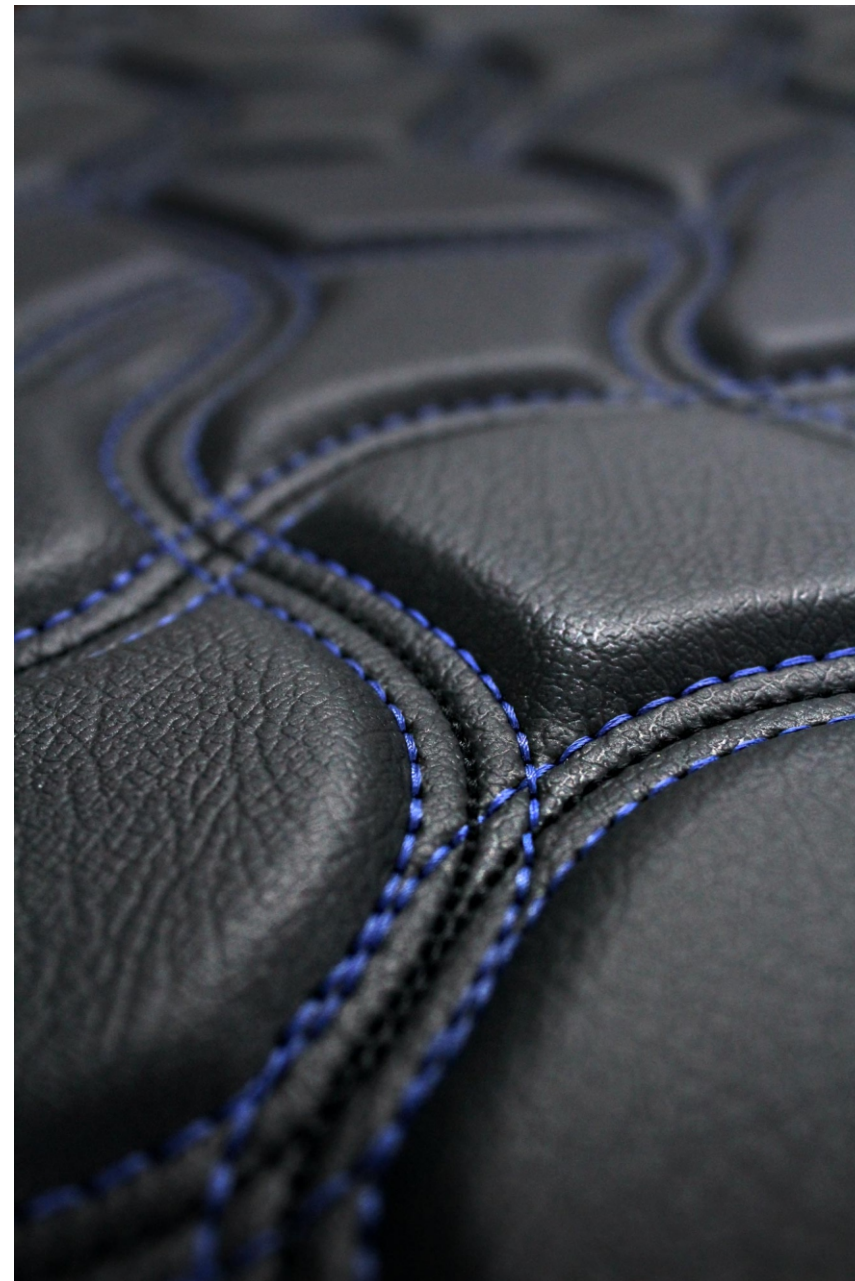

► Embroidered Leather & PVC close-up / Pormenor PVC e Pele bordada

05

► Embroidered Leather & PVC / PVC e Pele bordada

05

► Embroidered Leather & PVC close-up / Pormenor PVC e Pele bordada

04

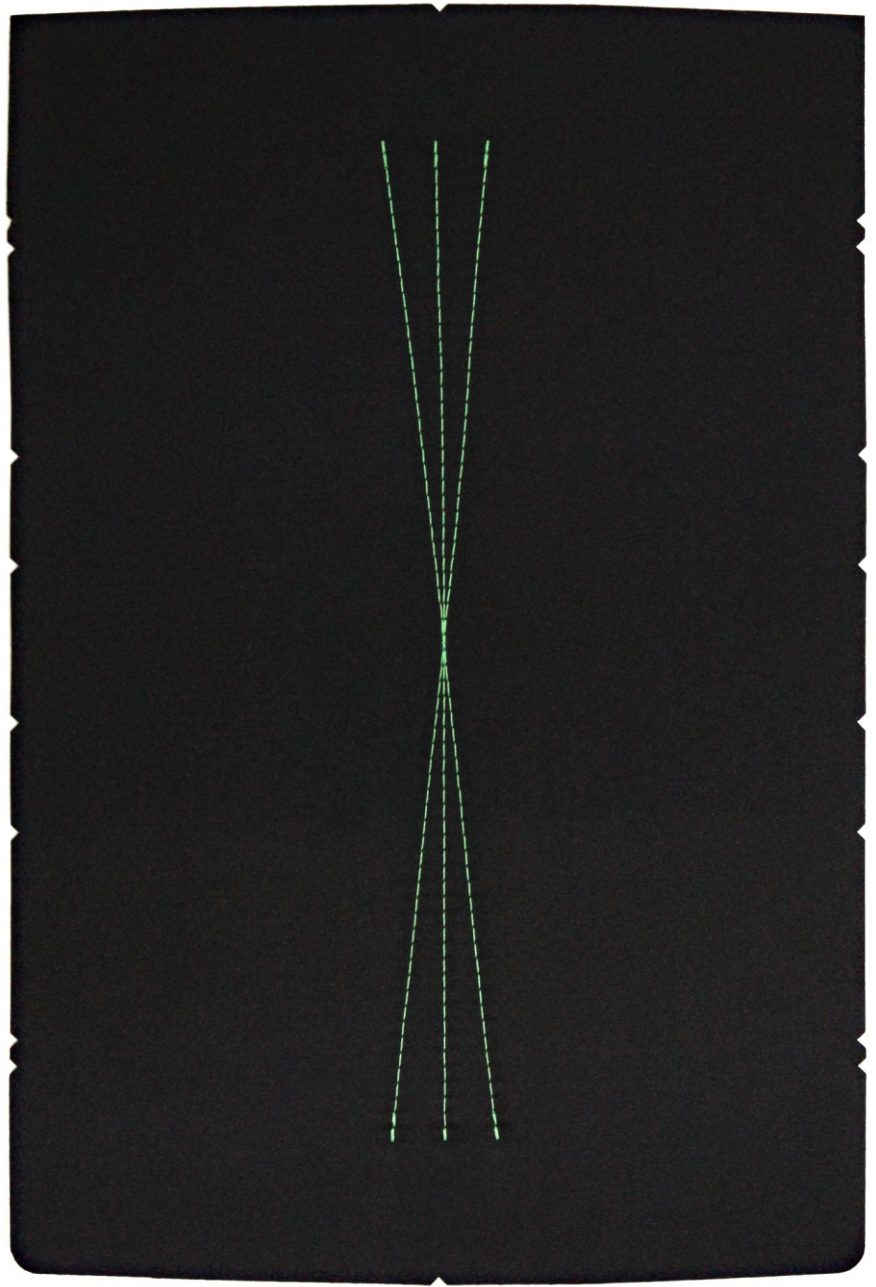

► Embroidered Leather & PVC / PVC e Pele bordada

04

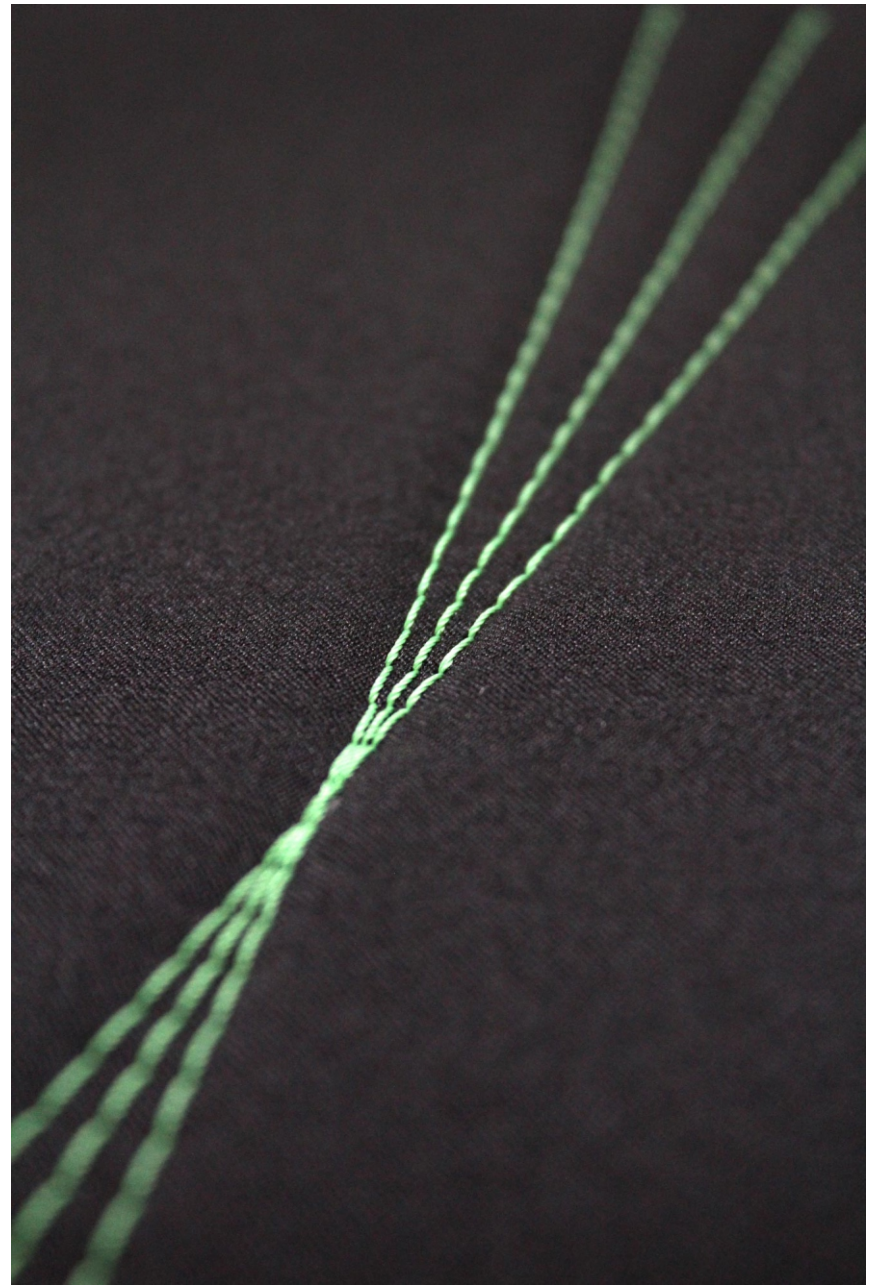

► Embroidered Leather & PVC close-up / Pormenor PVC e Pele bordada

01

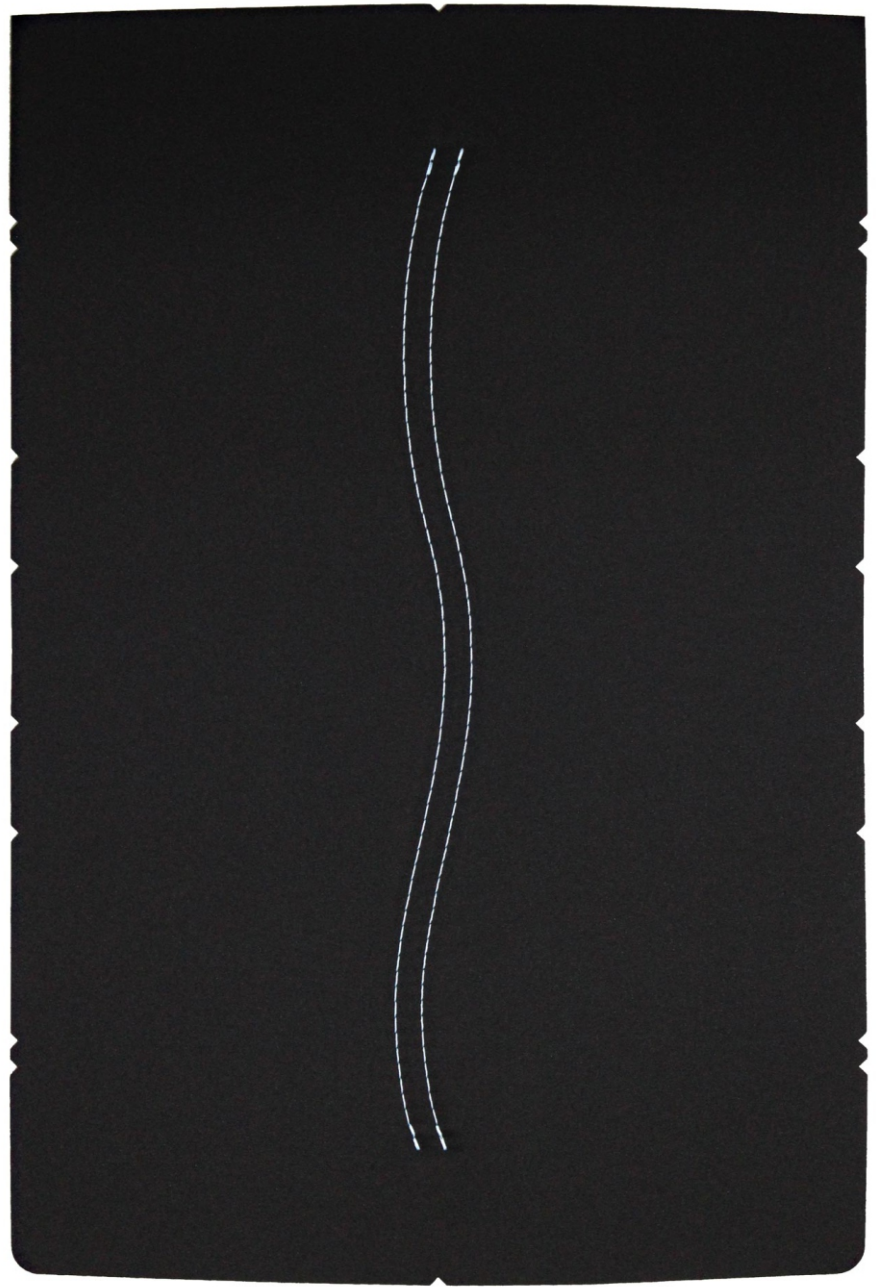

► Decorative stitches on fabric / Tecido com costura decorativa

01

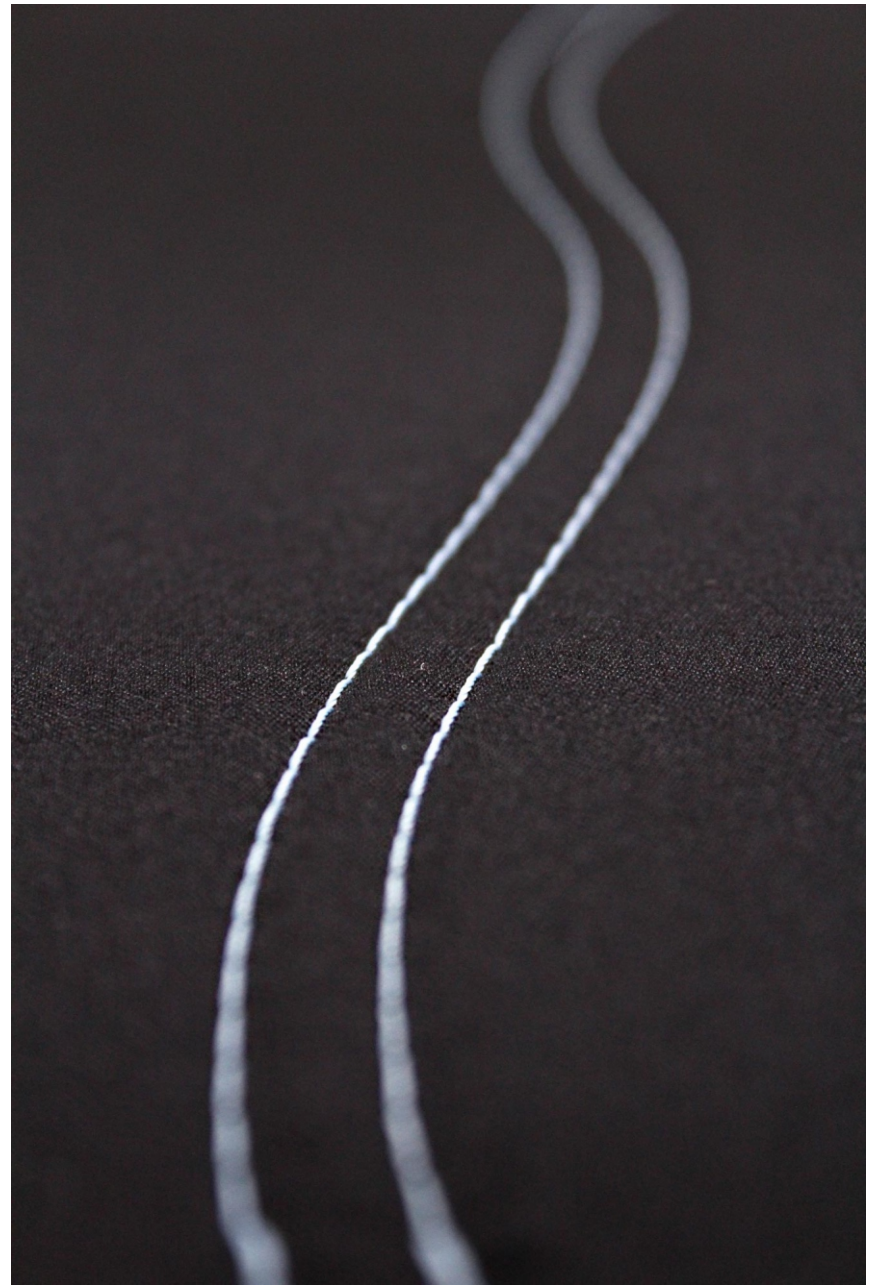

► Decorative stitches on fabric close-up / Pormenor tecido com costura decorativa

02

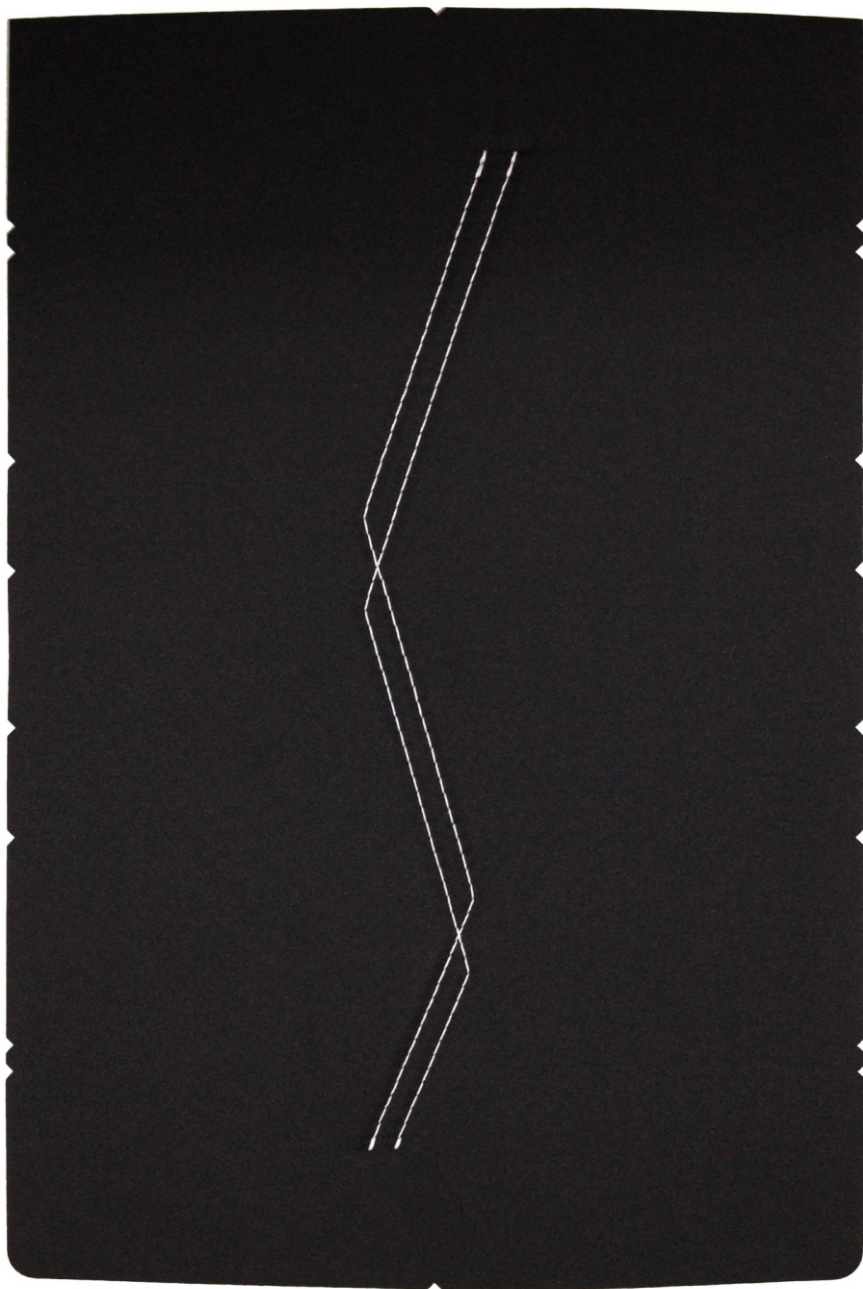

► Decorative stitches on fabric / Tecido com costura decorativa

02

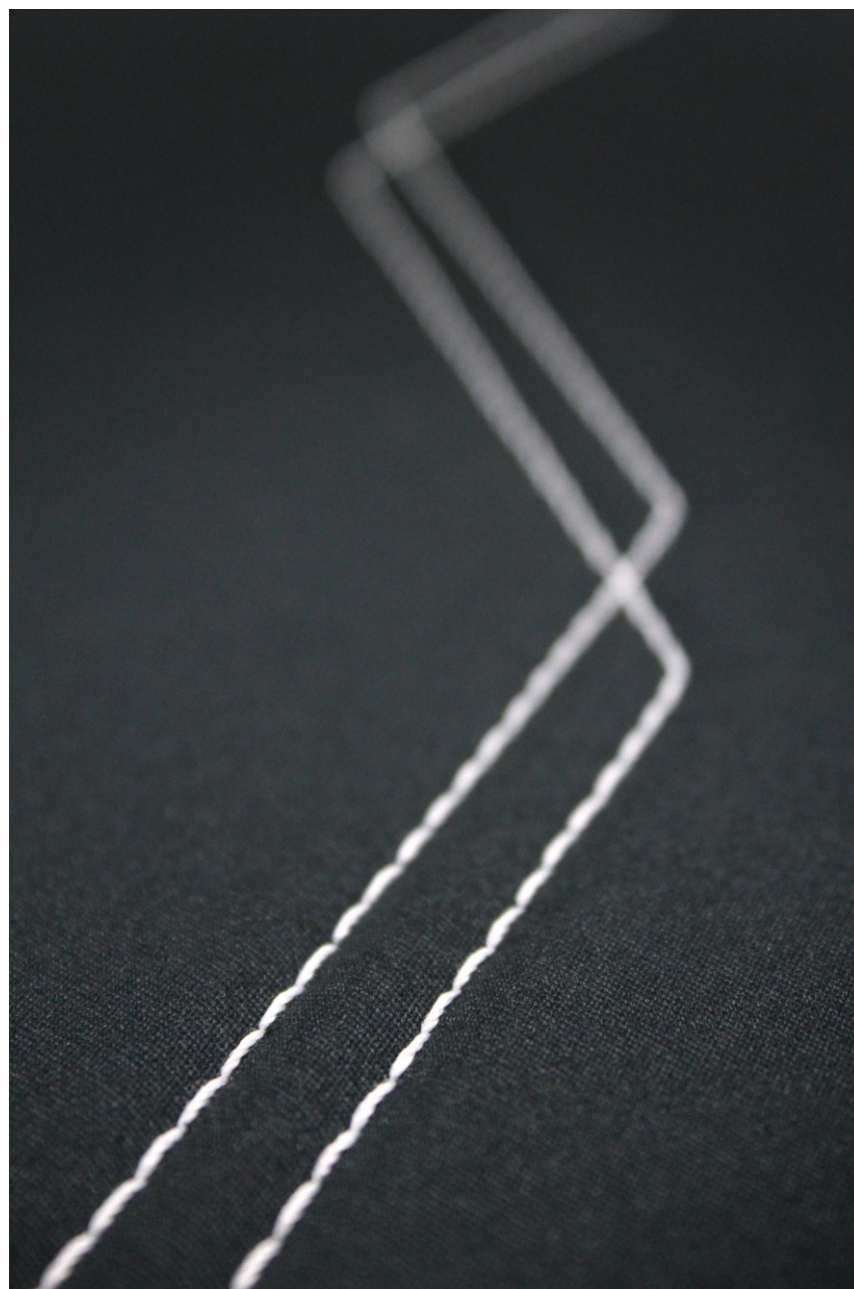

► Decorative stitches on fabric close-up / Pormenor tecido com costura decorativa

03

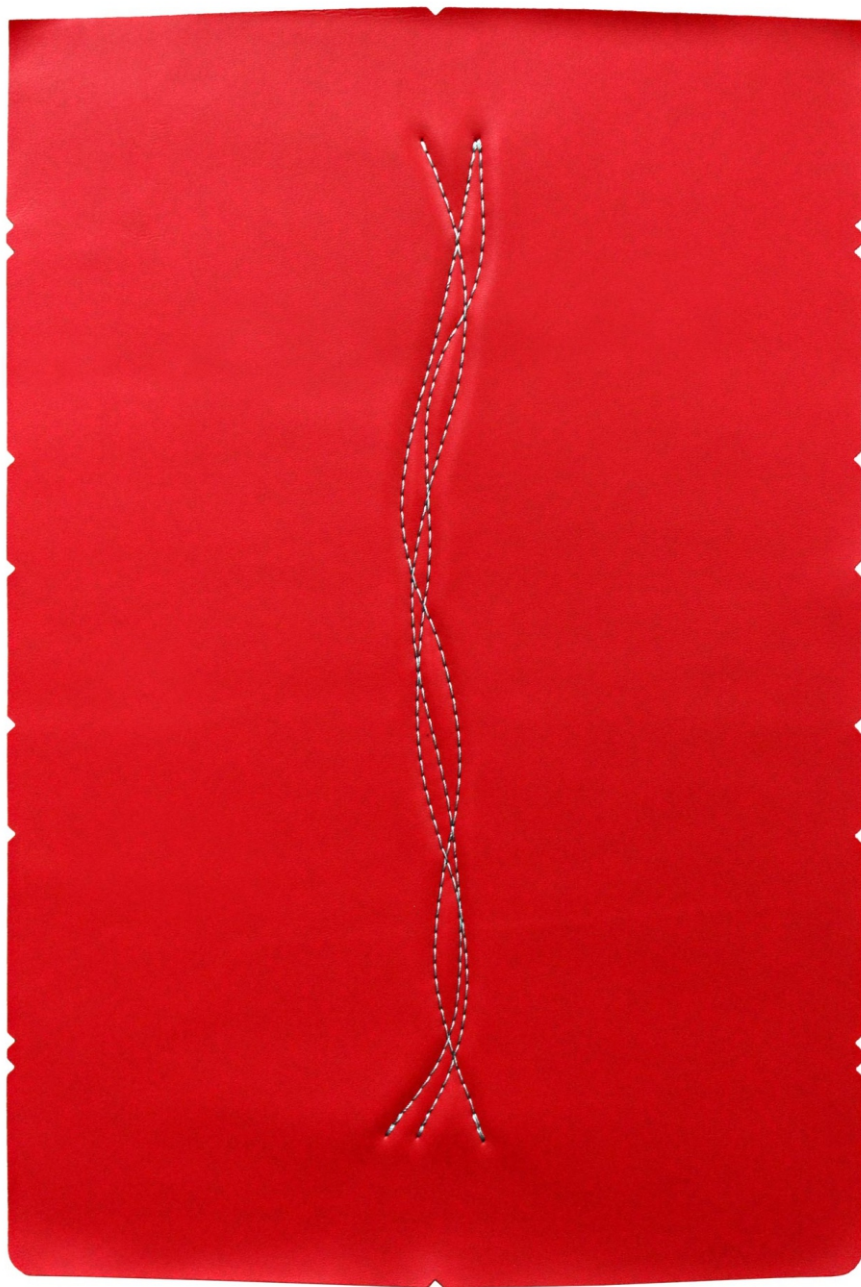

► Decorative stitches on fabric / Tecido com costura decorativa

03

► Decorative stitches on fabric close-up / Pormenor tecido com costura decorativa

01

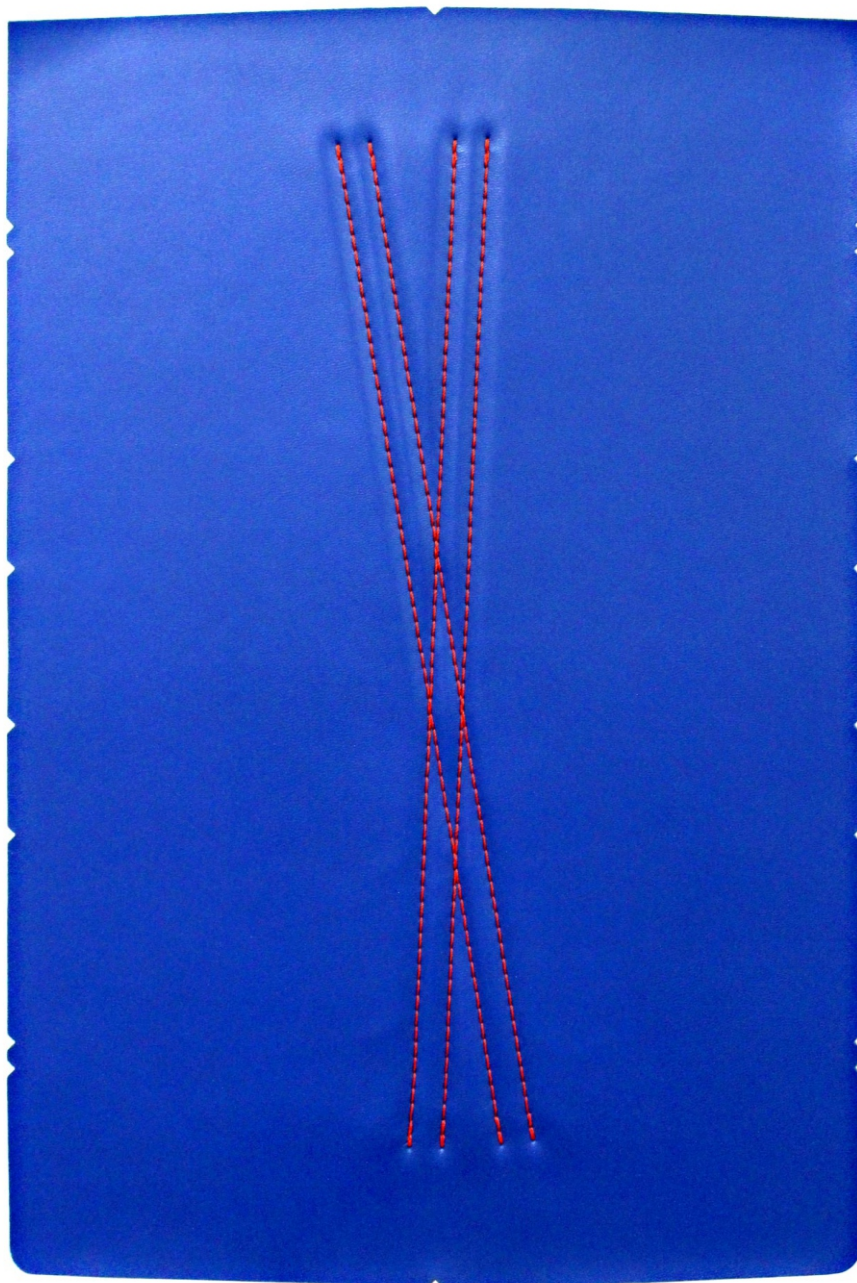

► Decorative stitches on leather or PVC / Pele ou PVC com costura decorativa

01

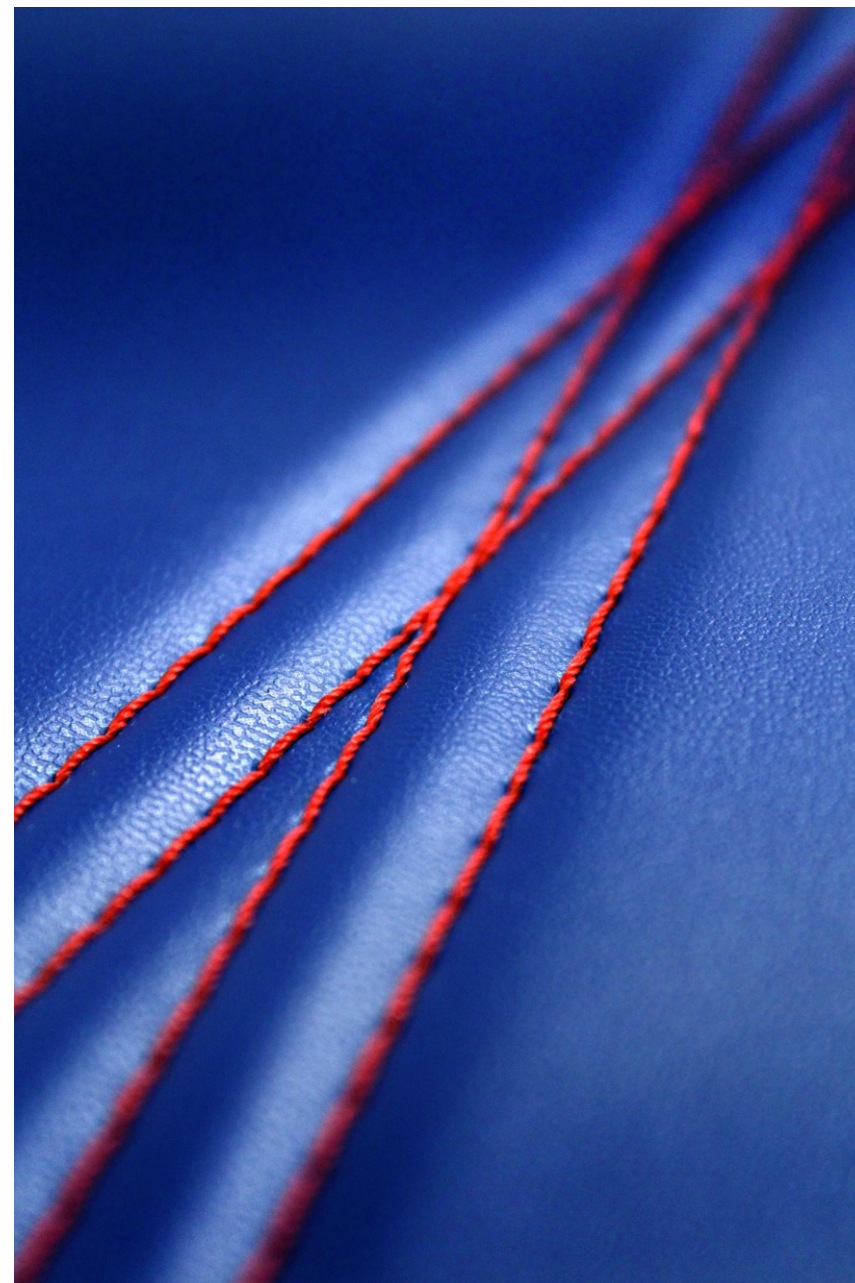

► Decorative stitches on leather or PVC close-up / Pormenor pele ou PVC com costura decorativa

02

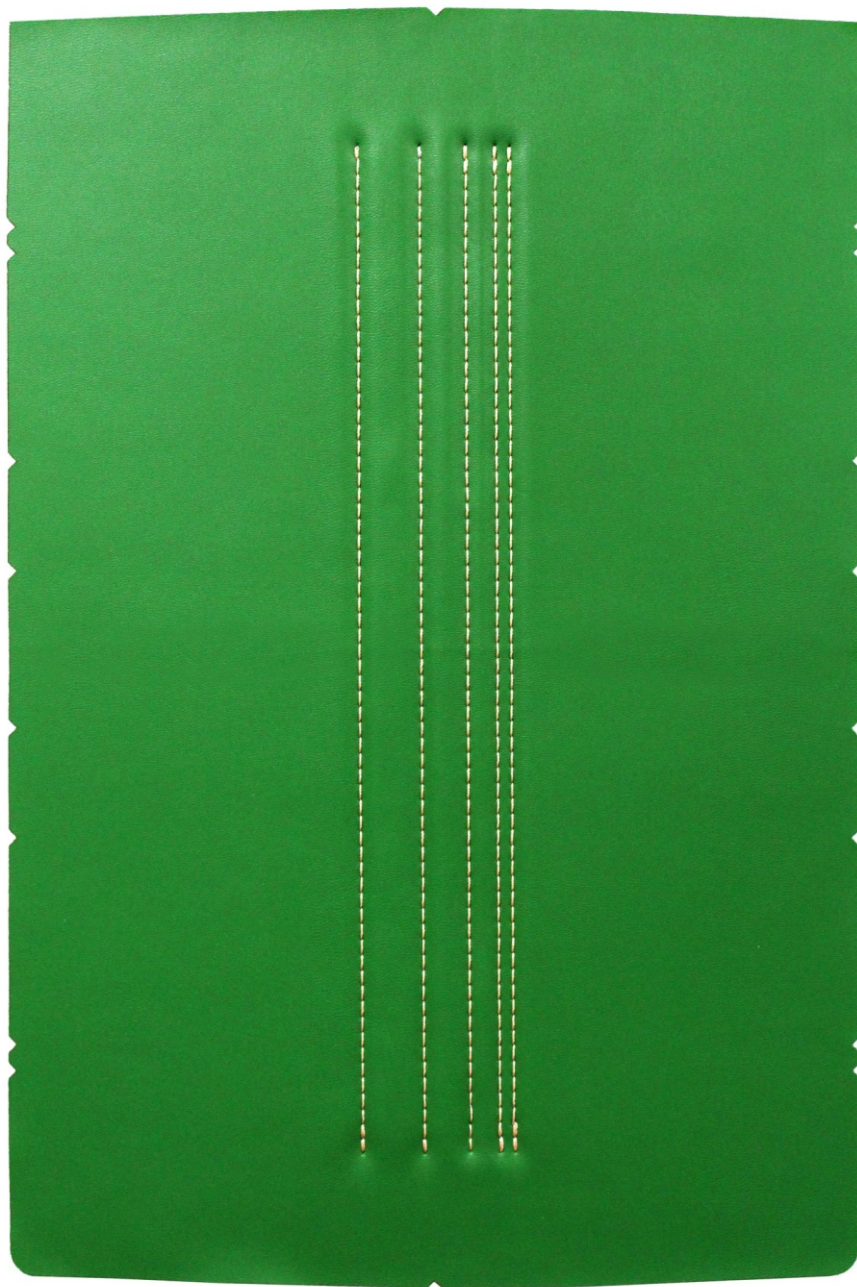

► Decorative stitches on leather or PVC / Pele ou PVC com costura decorativa

02

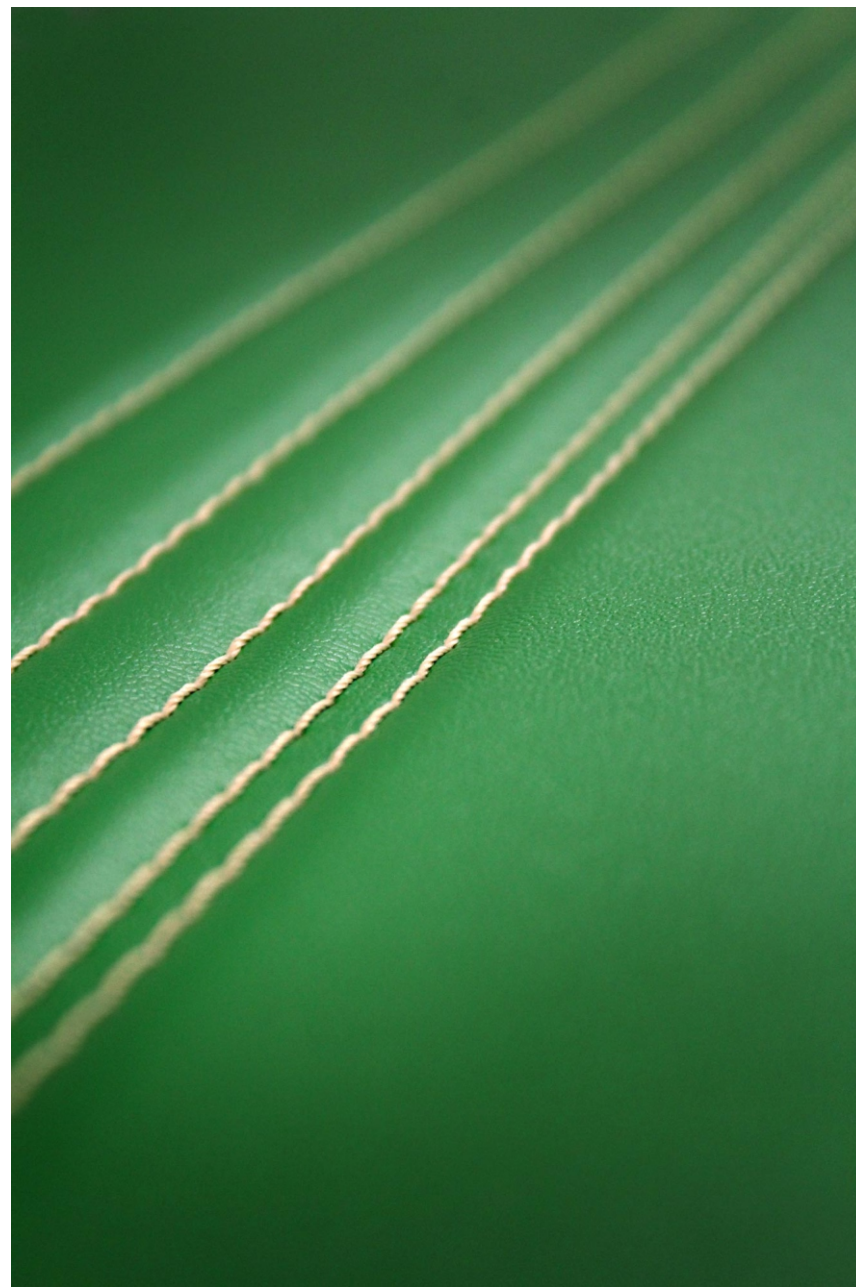

► Decorative stitches on leather or PVC close-up / Pormenor pele ou PVC com costura decorativa

03

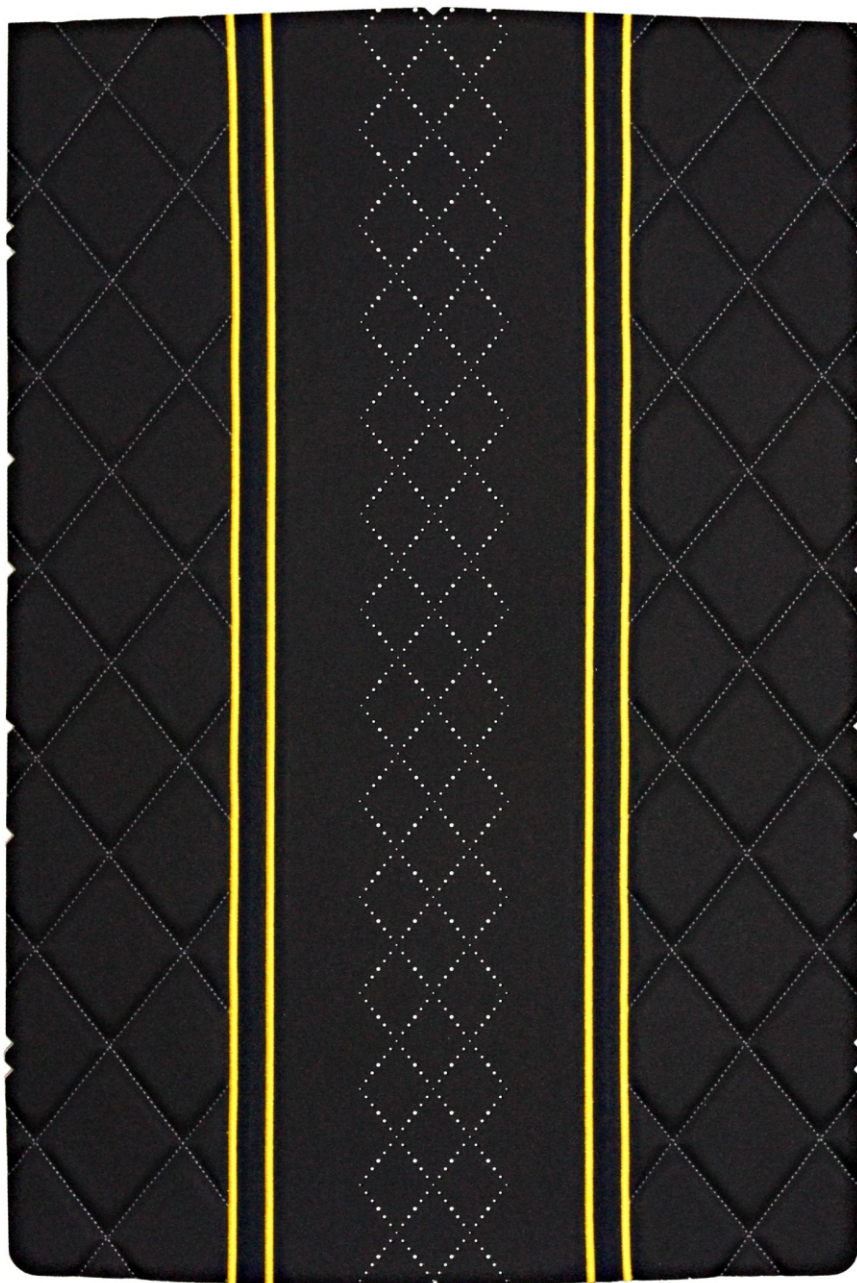

► Decorative stitches on leather or PVC / Pele ou PVC com costura decorativa

03

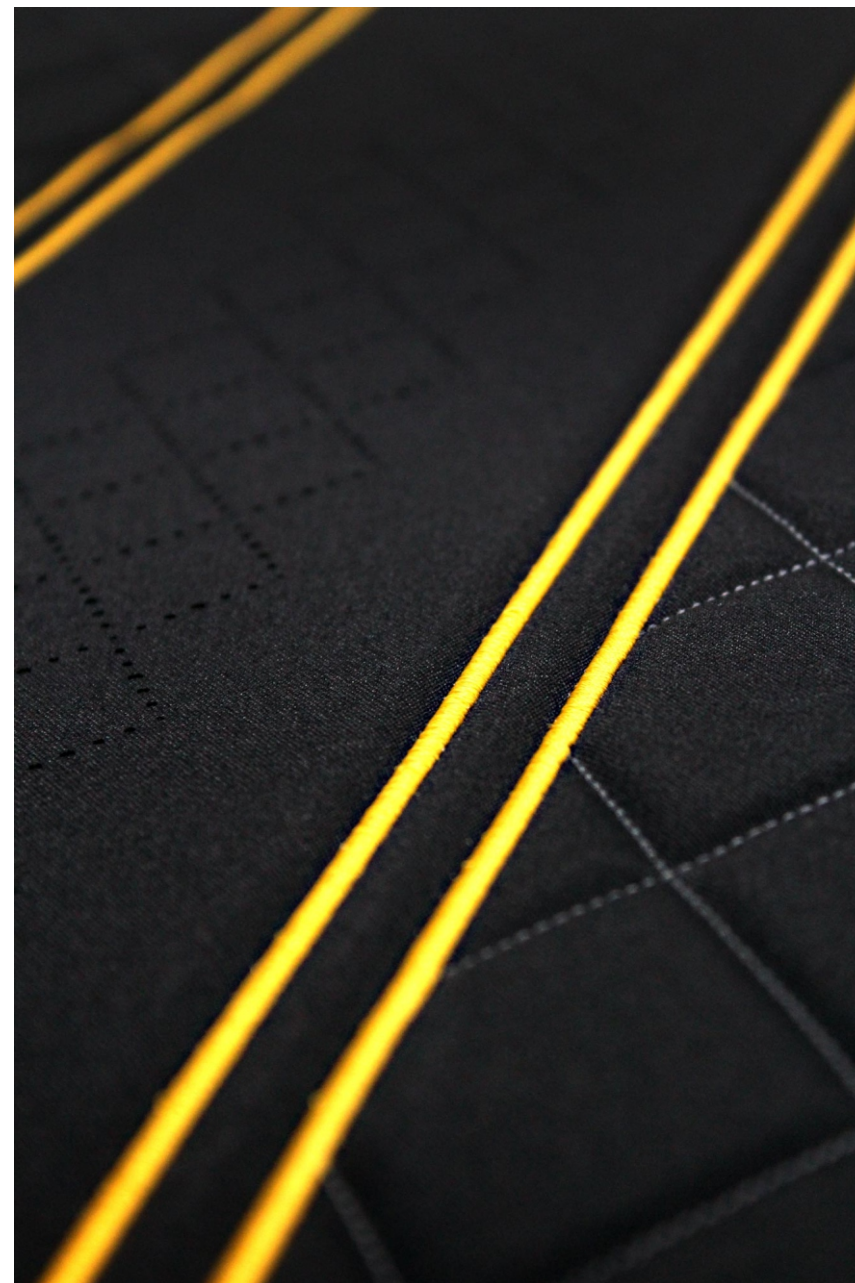

► Decorative stitches on leather or PVC close-up / Pormenor pele ou PVC com costura decorativa

02

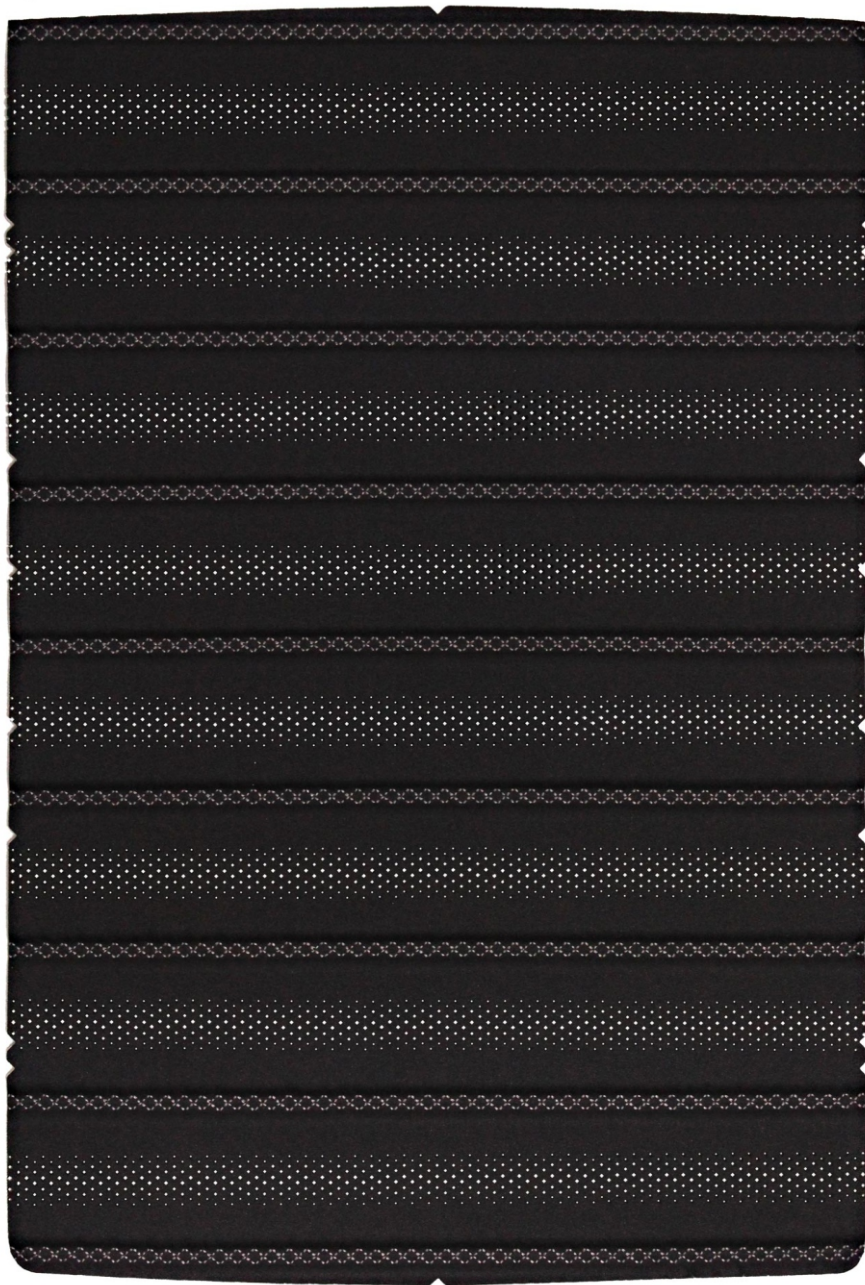

► Embroidered fabric laser cutting / Tecido bordado com perfuração a laser

02

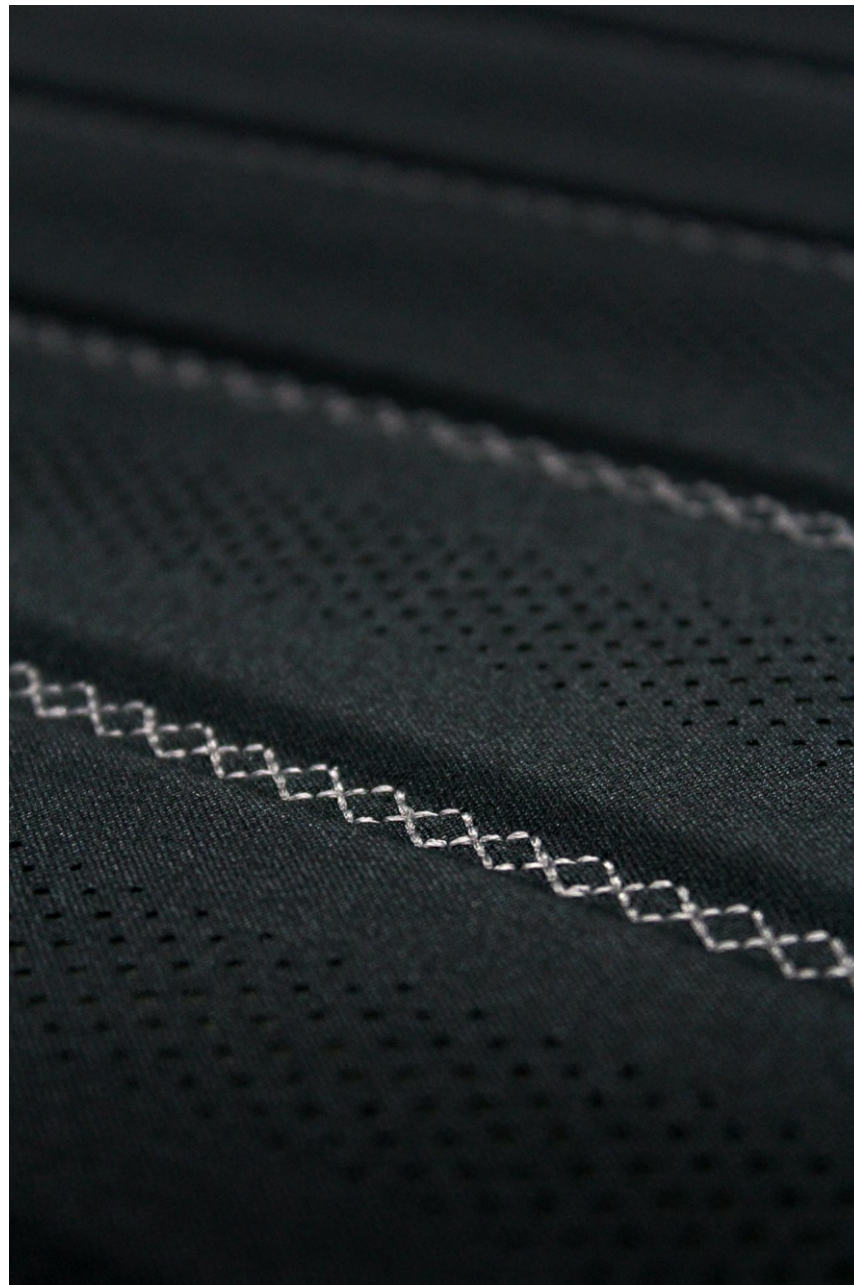

► Embroidered fabric laser cutting close-up / Pormenor tecido bordado com perfuração a laser

04

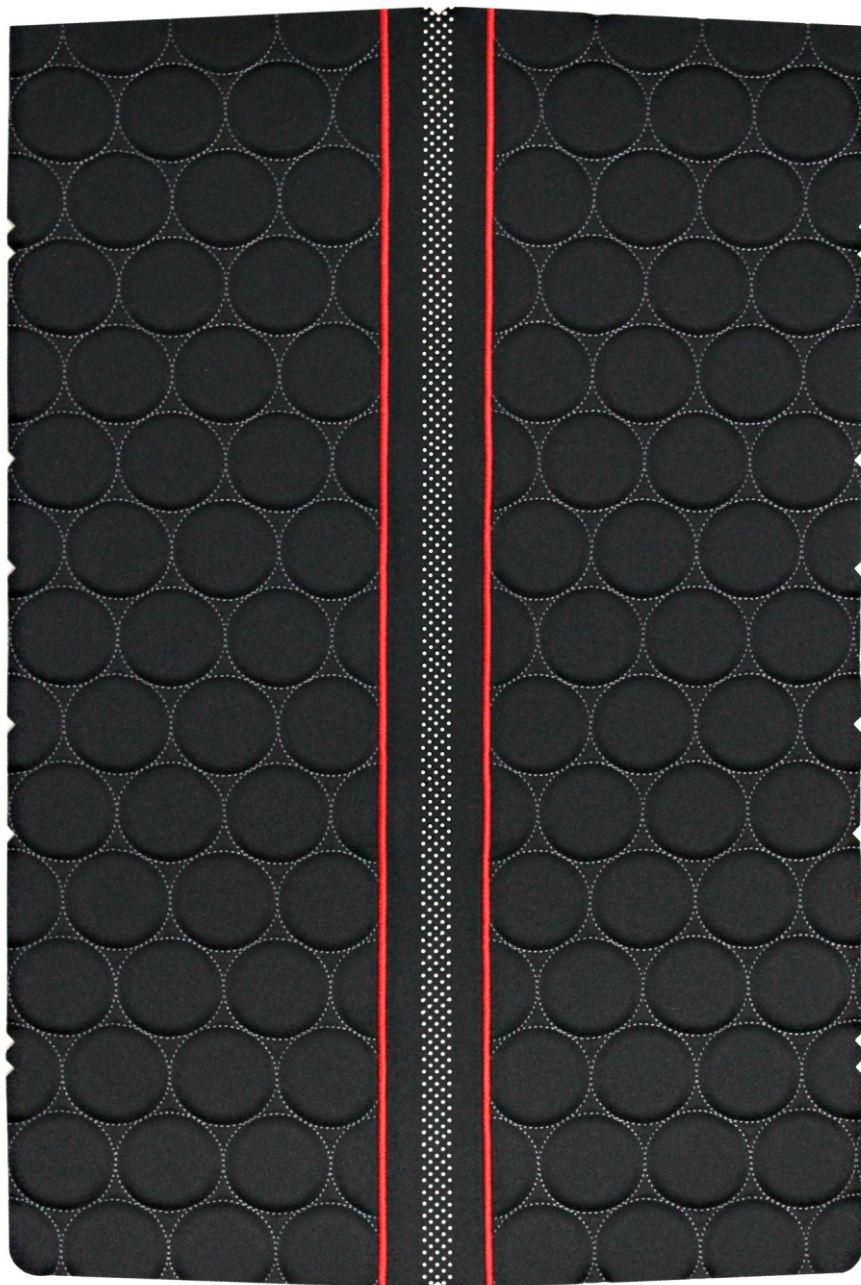

► Embroidered fabric laser cutting / Tecido bordado com perfuração a laser

04

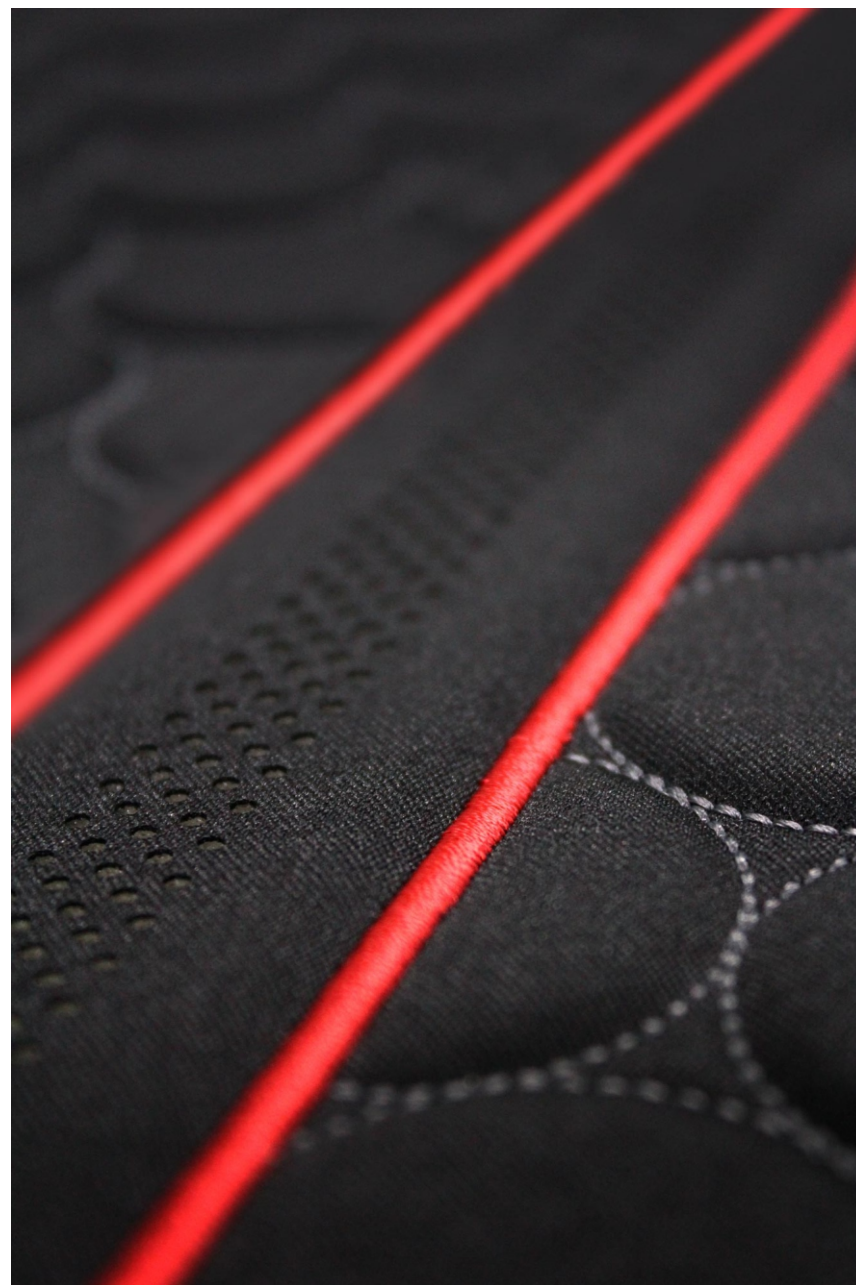

► Embroidered fabric laser cutting close-up / Pormenor tecido bordado com perfuração a laser

05

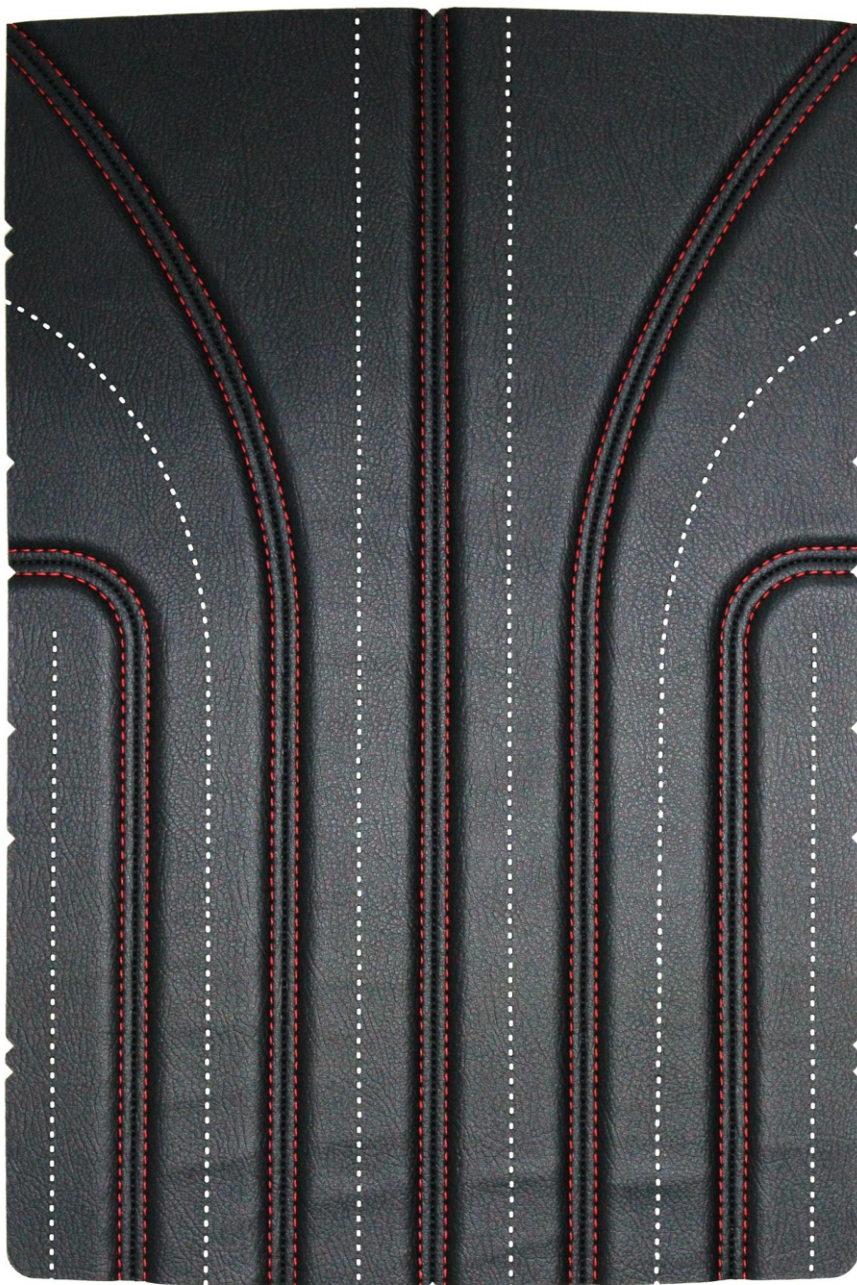

► Embroidered fabric laser cutting / Tecido bordado com perfuração a laser

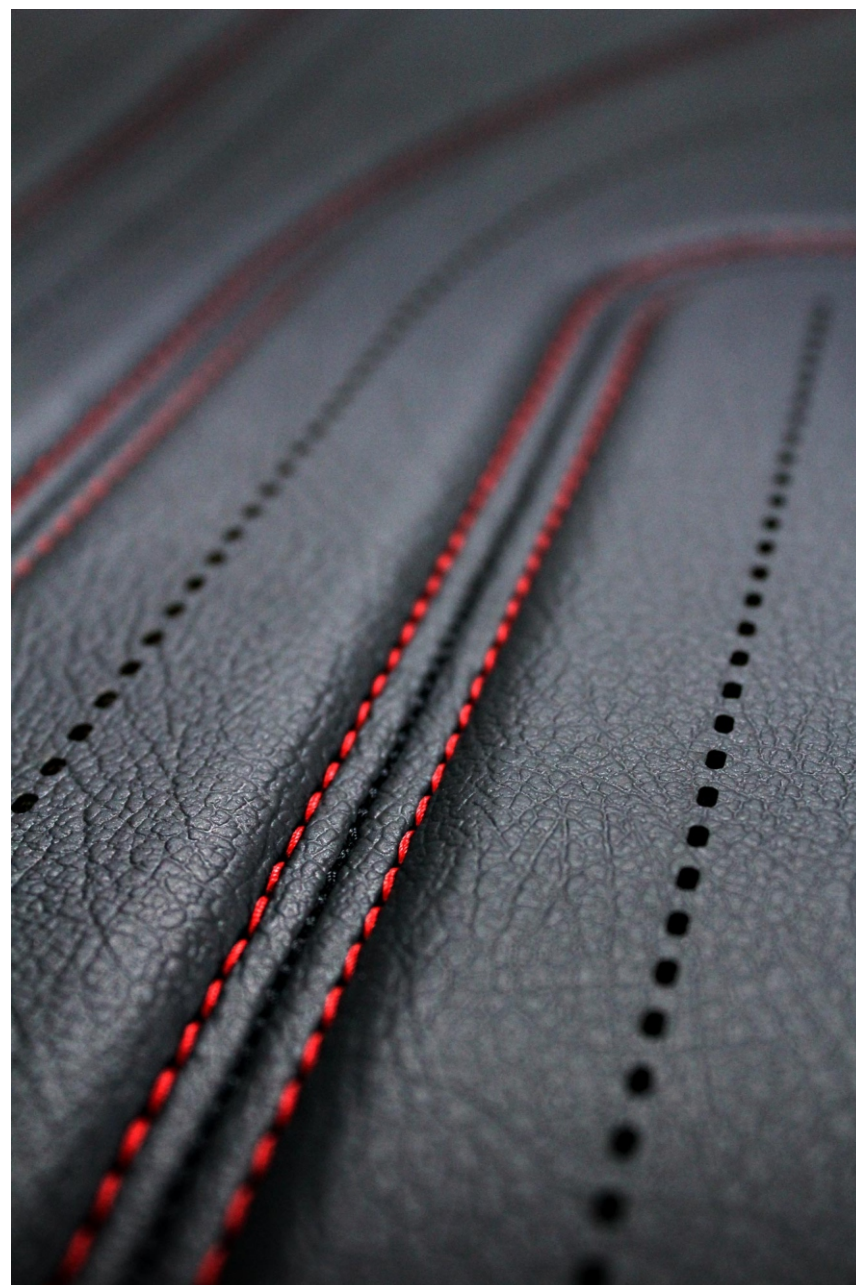

05

► Embroidered fabric laser cutting close-up / Pormenor tecido bordado com perfuração a laser

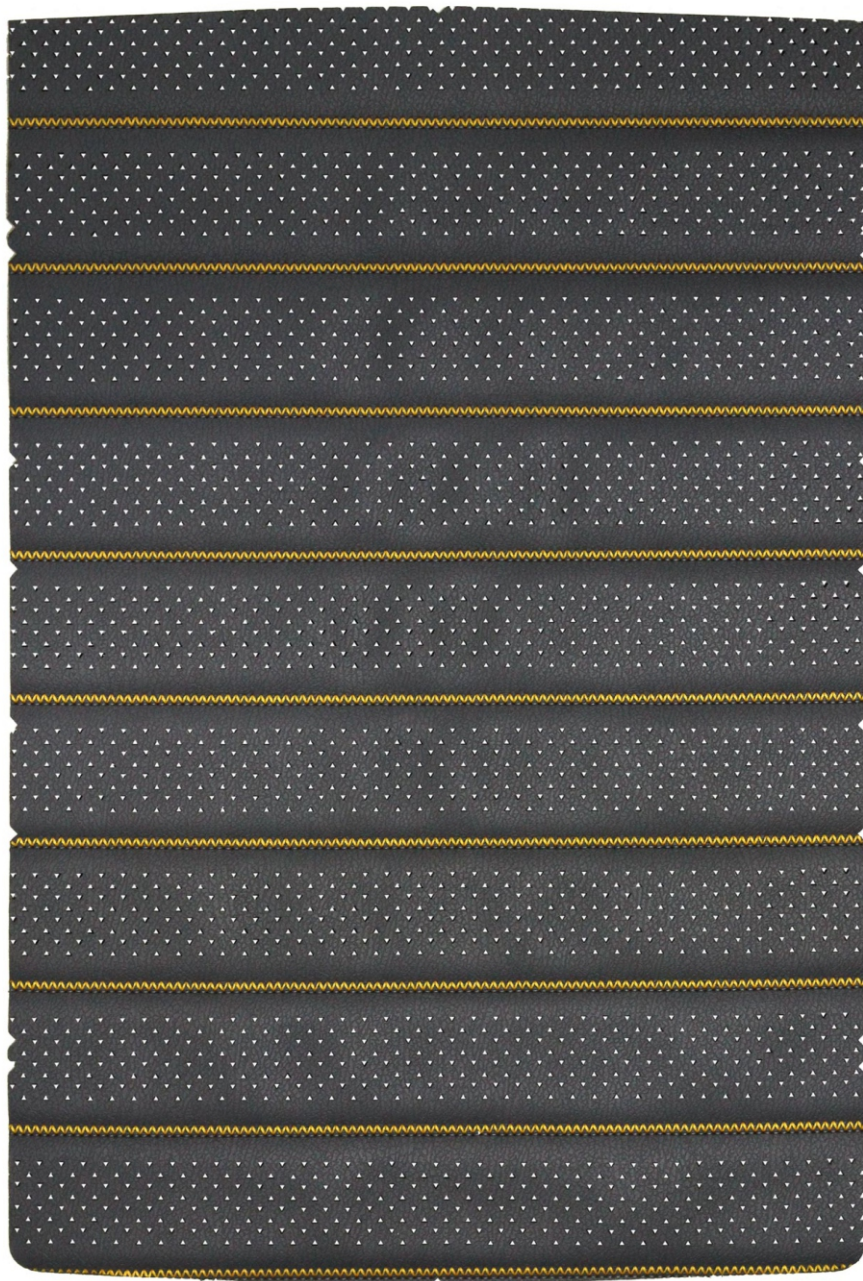

► Embroidered PVC laser cutting / PVC bordado com perfuração a laser

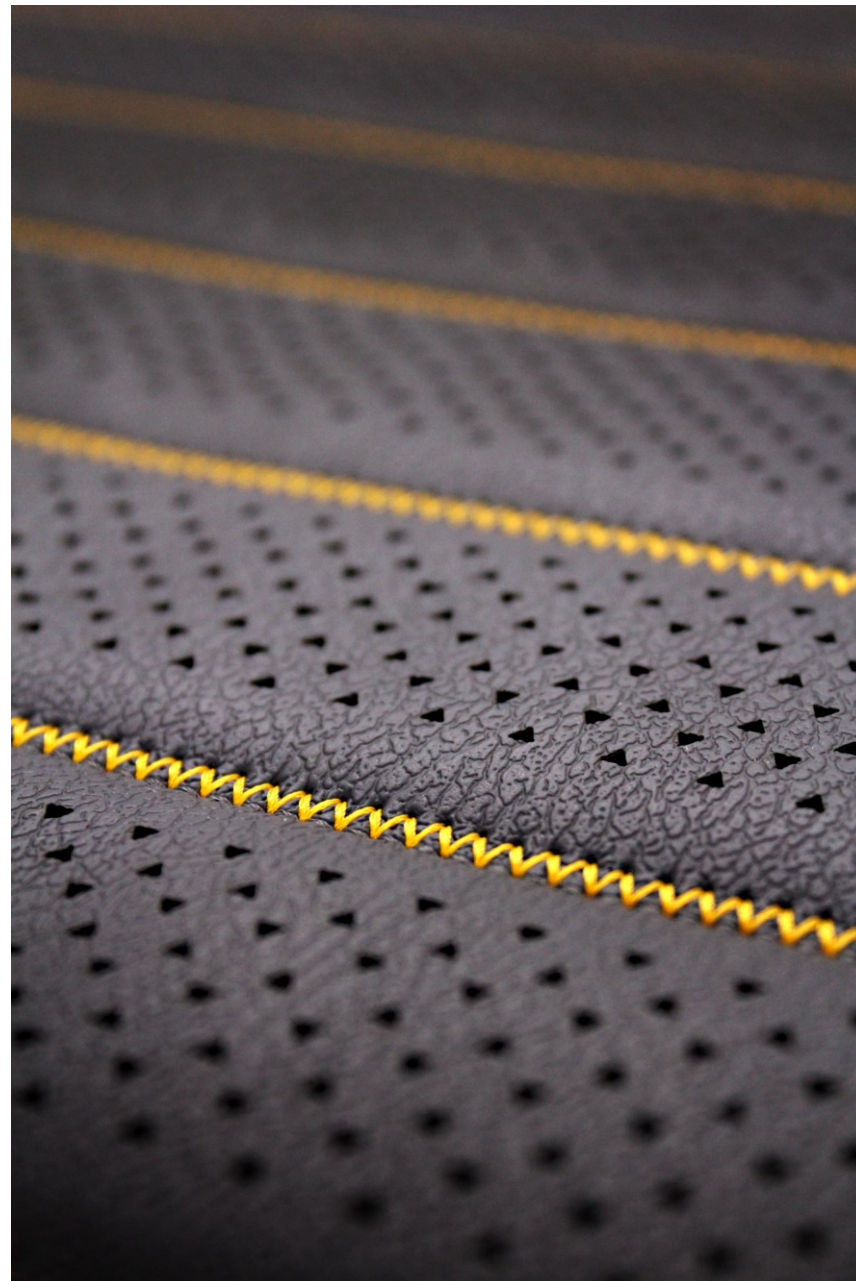

► Embroidered PVC laser cutting close-up / Pormenor PVC bordado com perfuração a laser

01

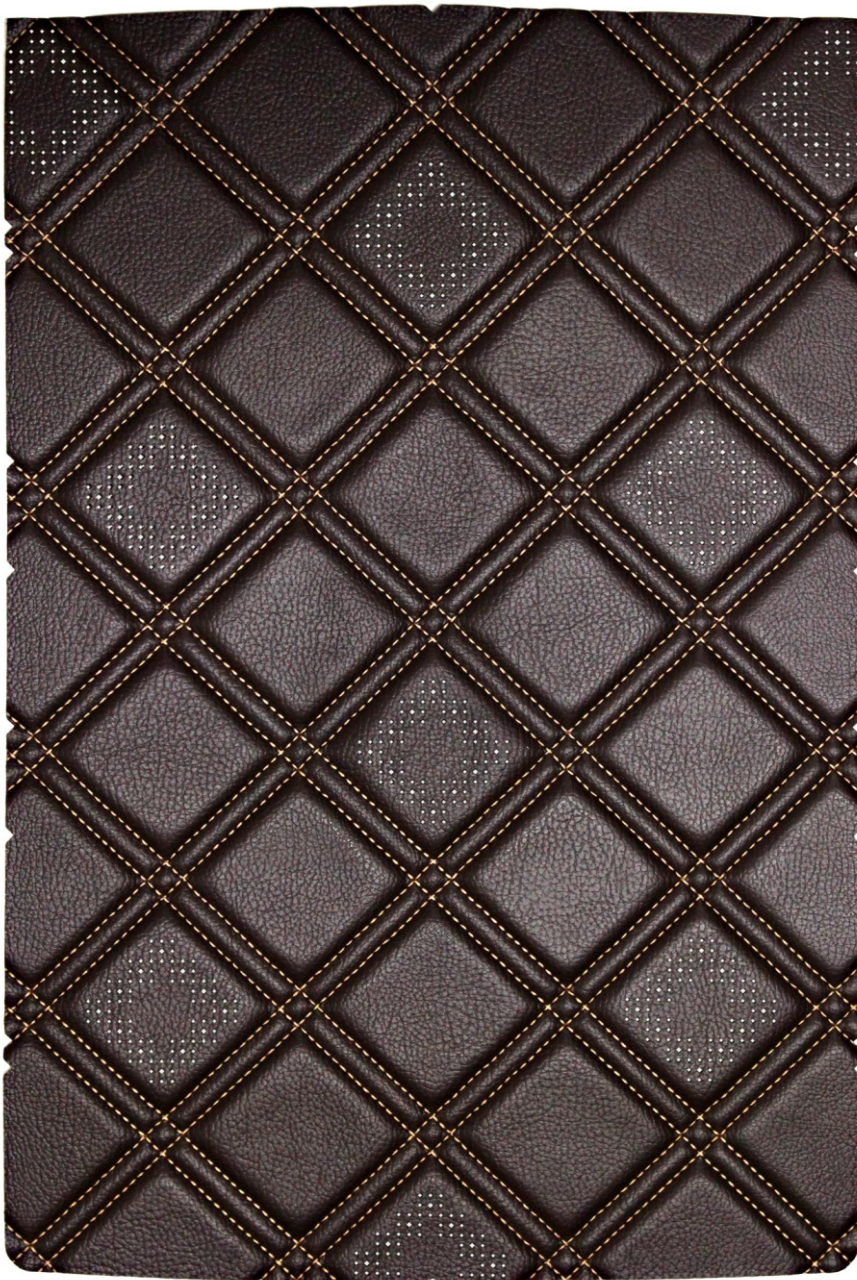

► Embroidered PVC laser cutting / PVC bordado com perfuração a laser

01

► Embroidered PVC laser cutting close-up / Pormenor PVC bordado com perfuração a laser

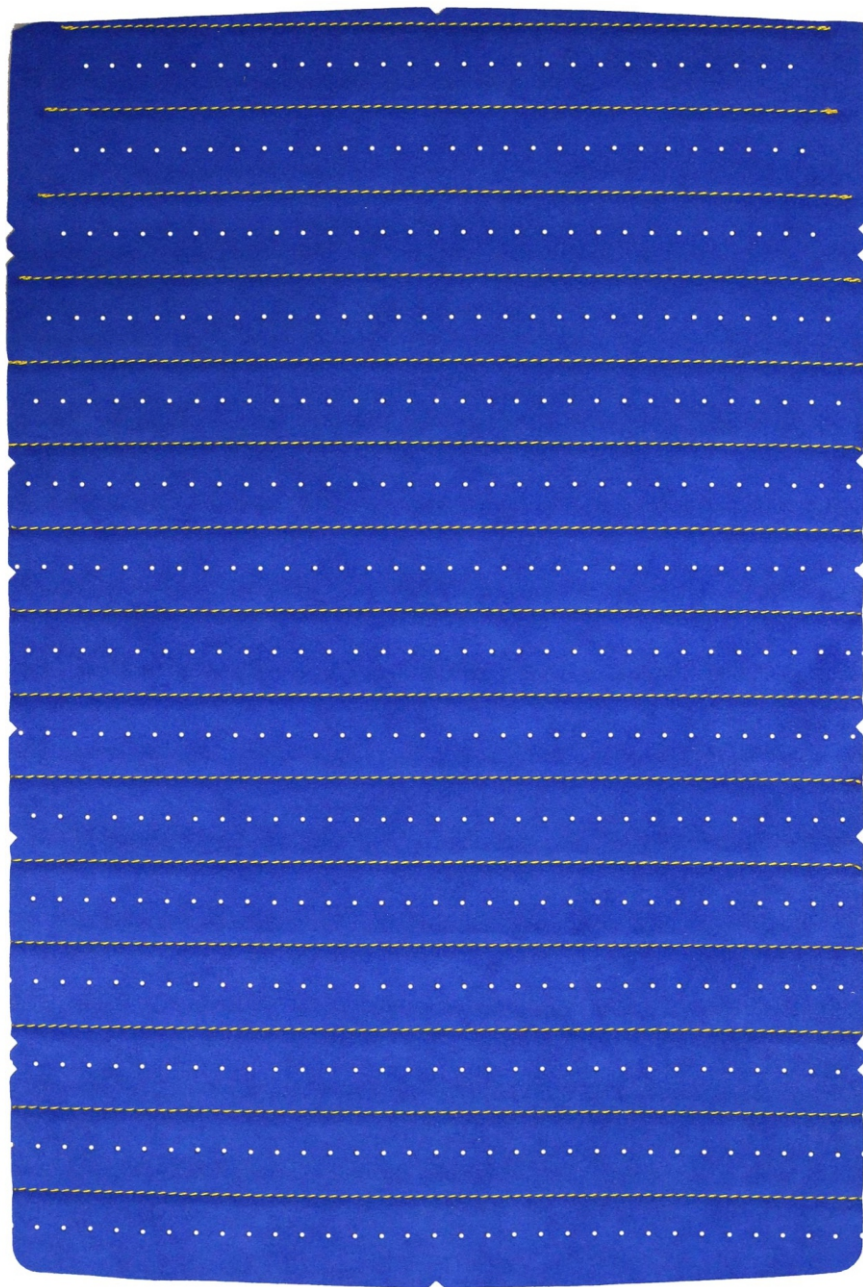

► Embroidered PVC laser cutting / PVC bordado com perfuração a laser

► Embroidered PVC laser cutting close-up / Pormenor PVC bordado com perfuração a laser

01

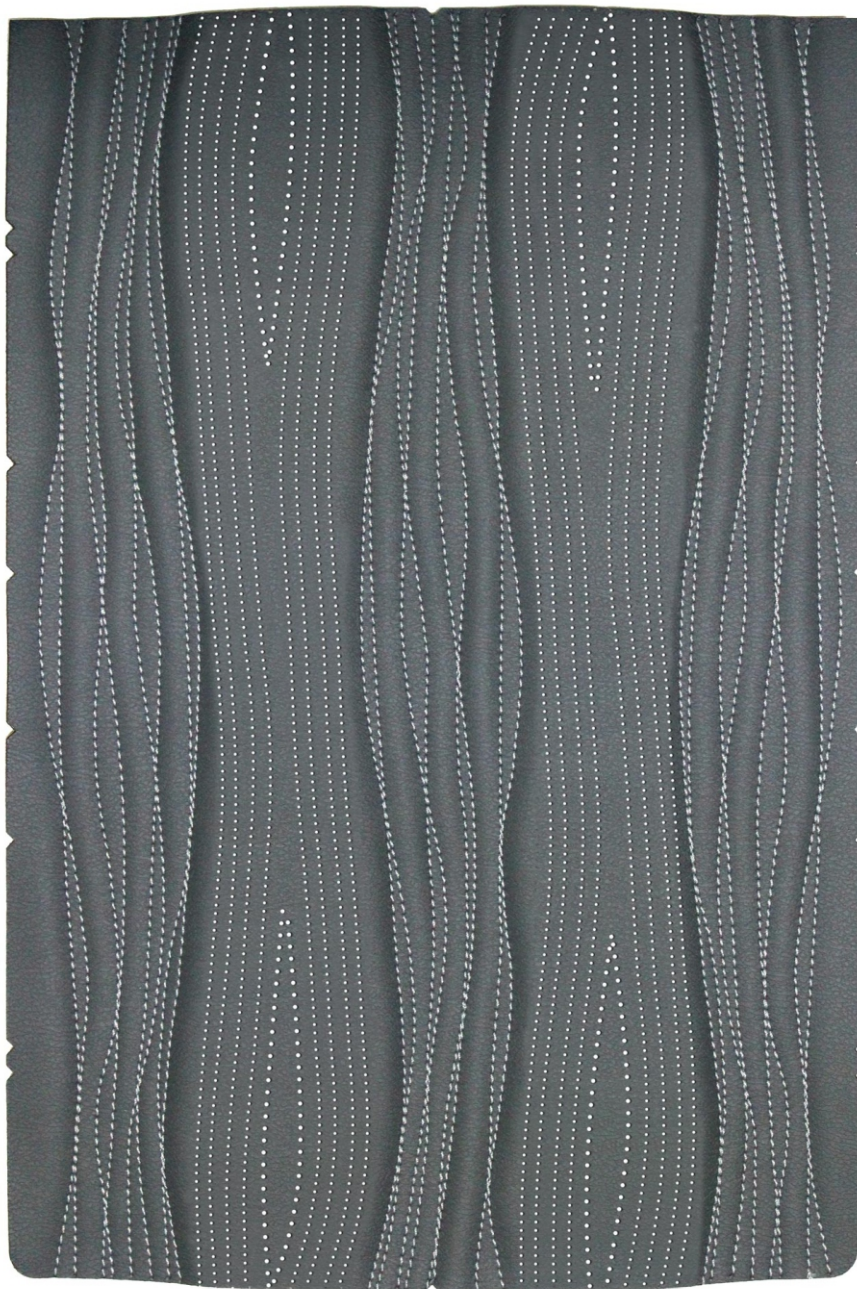

► Leather sewing and punch cutting / Costura em pele com perfuração a punção

01

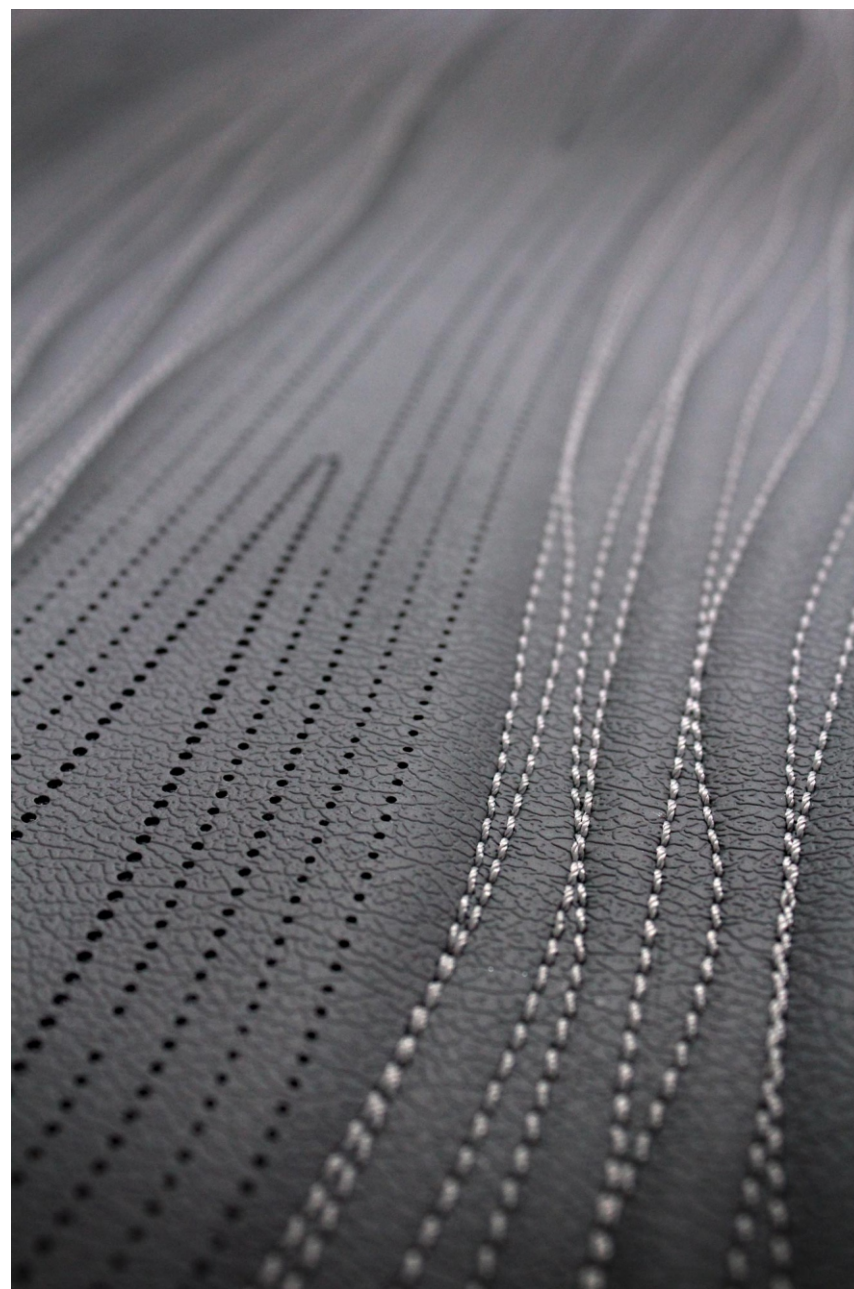

► Leather sewing and punch cutting close-up / Pormenor costura em pele com perfuração a punção

02

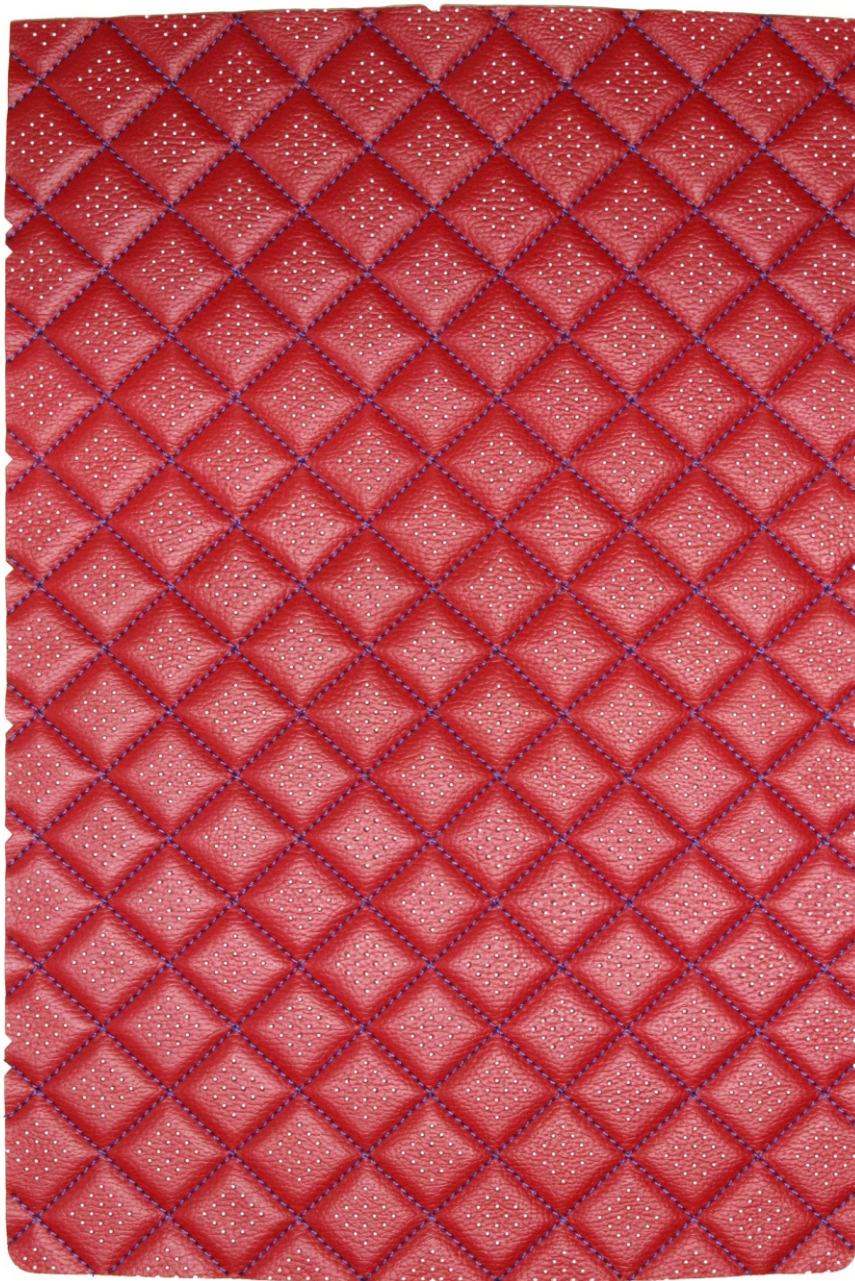

► Leather sewing and punch cutting / Costura em pele com perfuração a punção

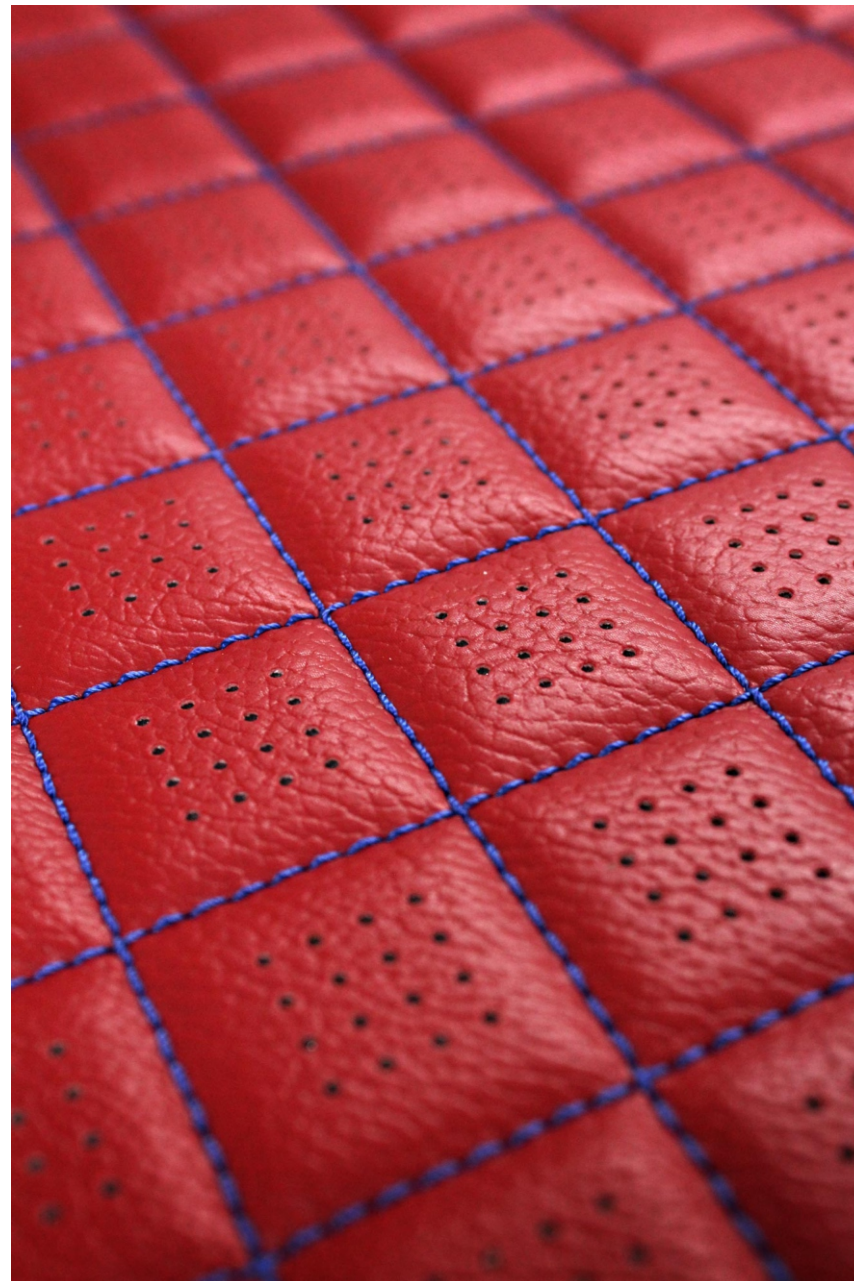

02

► Leather sewing and punch cutting close-up / Pormenor costura em pele com perfuração a punção

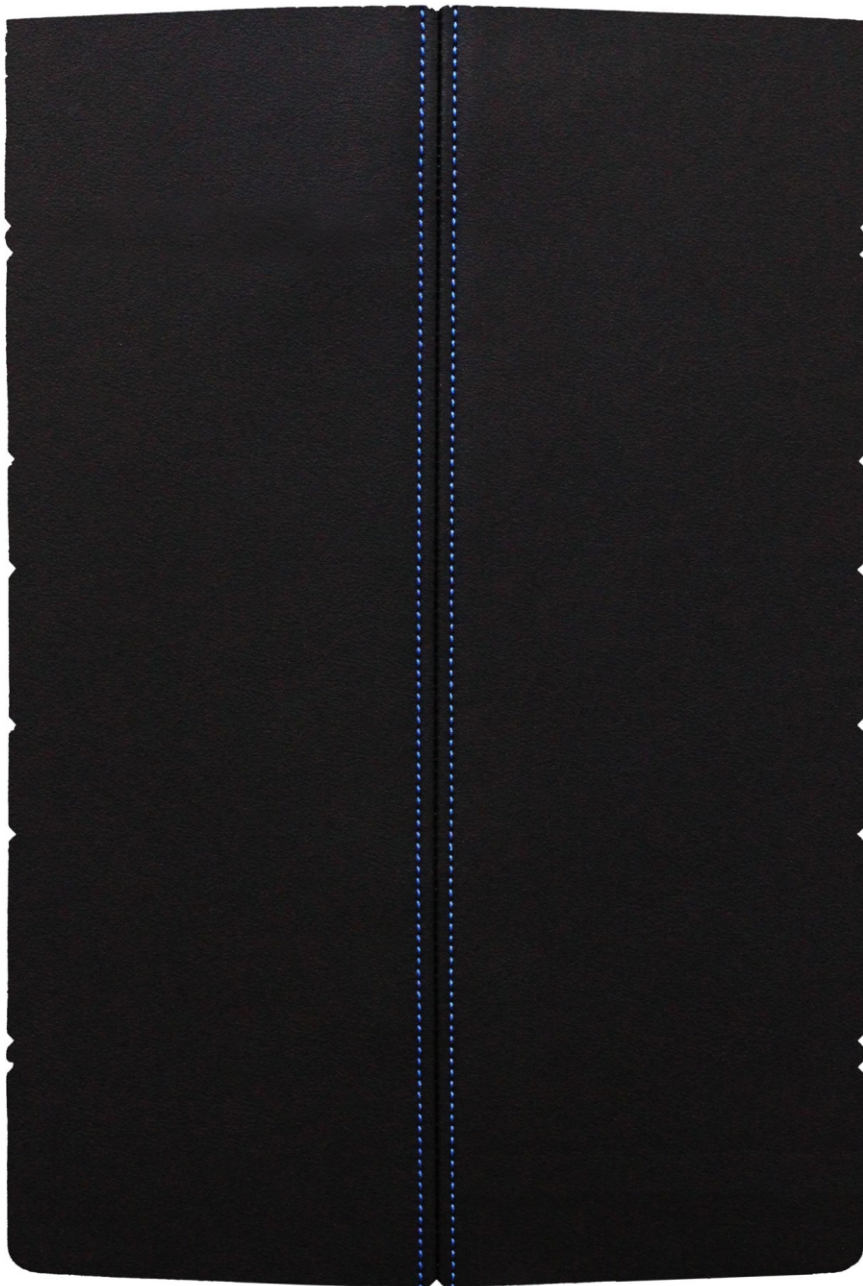

► Leather sewing and punch cutting / Costura em pele com perfuração a punção

► Leather sewing and punch cutting close-up / Pormenor costura em pele com perfuração a punção

01

► Leather or PVC with real sewing / Pele ou PVC com costura verdadeira

01

► Leather or PVC with real sewing close-up / Pormenor pele ou PVC com costura verdadeira

02

► Leather or PVC with real sewing / Pele ou PVC com costura verdadeira

02

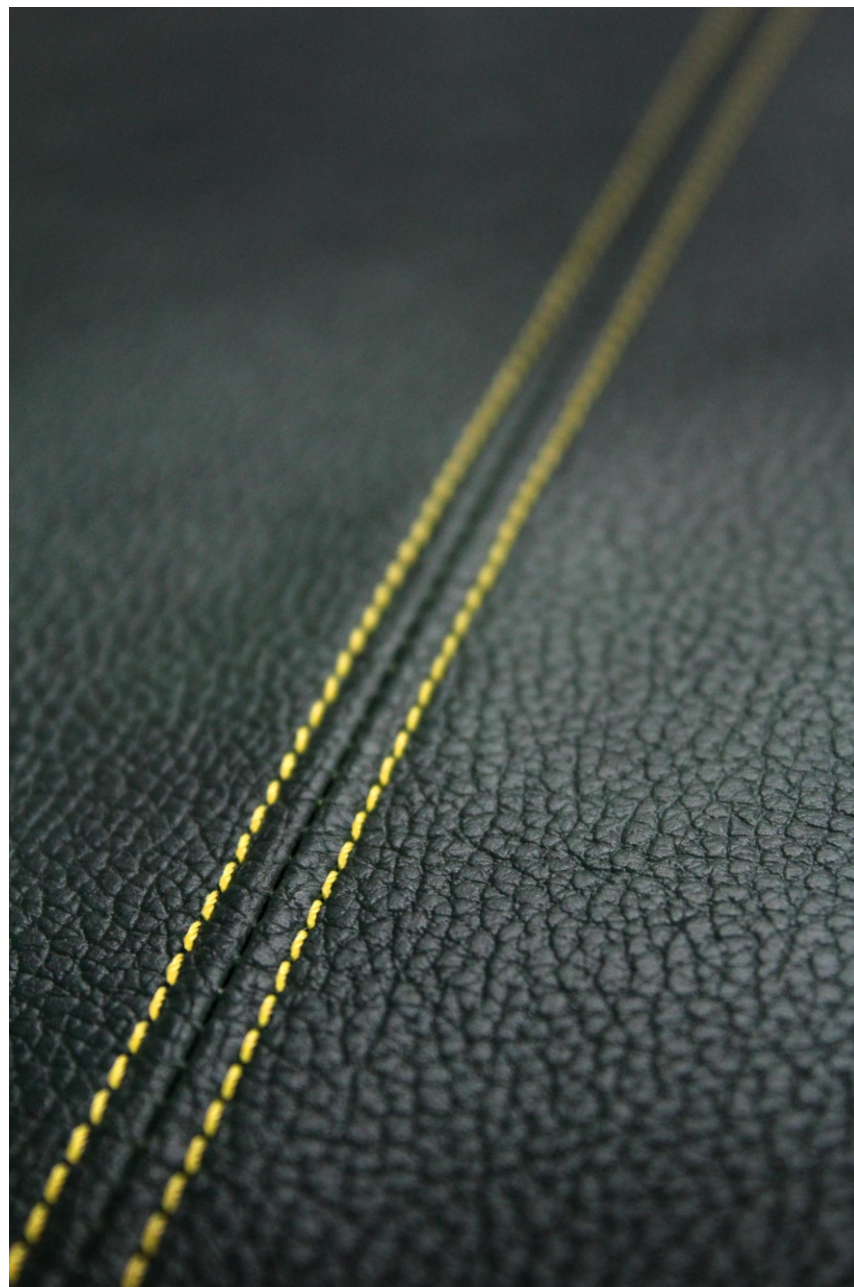

► Leather or PVC with real sewing close-up / Pormenor pele ou PVC com costura verdadeira

03

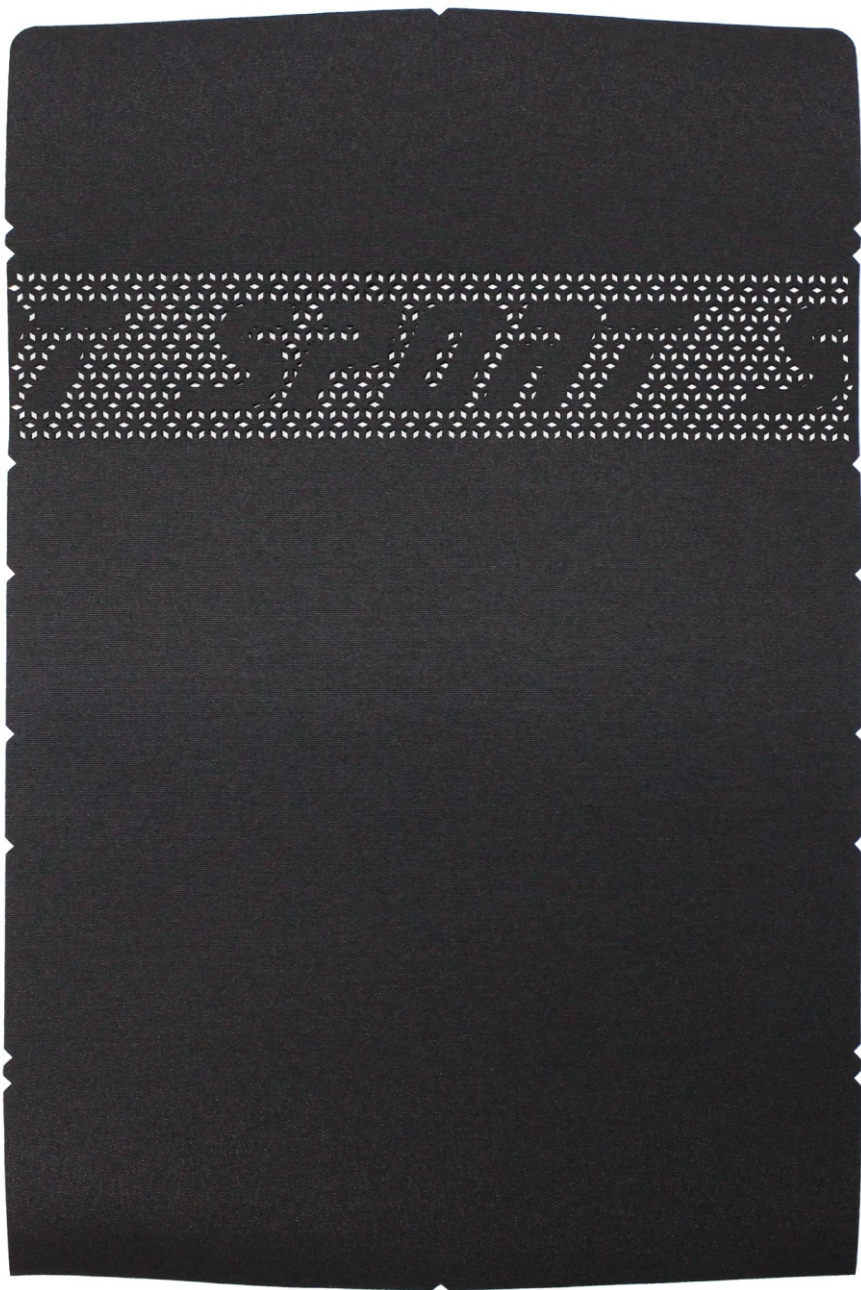

► Leather or PVC with real sewing / Pele ou PVC com costura verdadeira

03

► Leather or PVC with real sewing close-up / Pormenor pele ou PVC com costura verdadeira

03

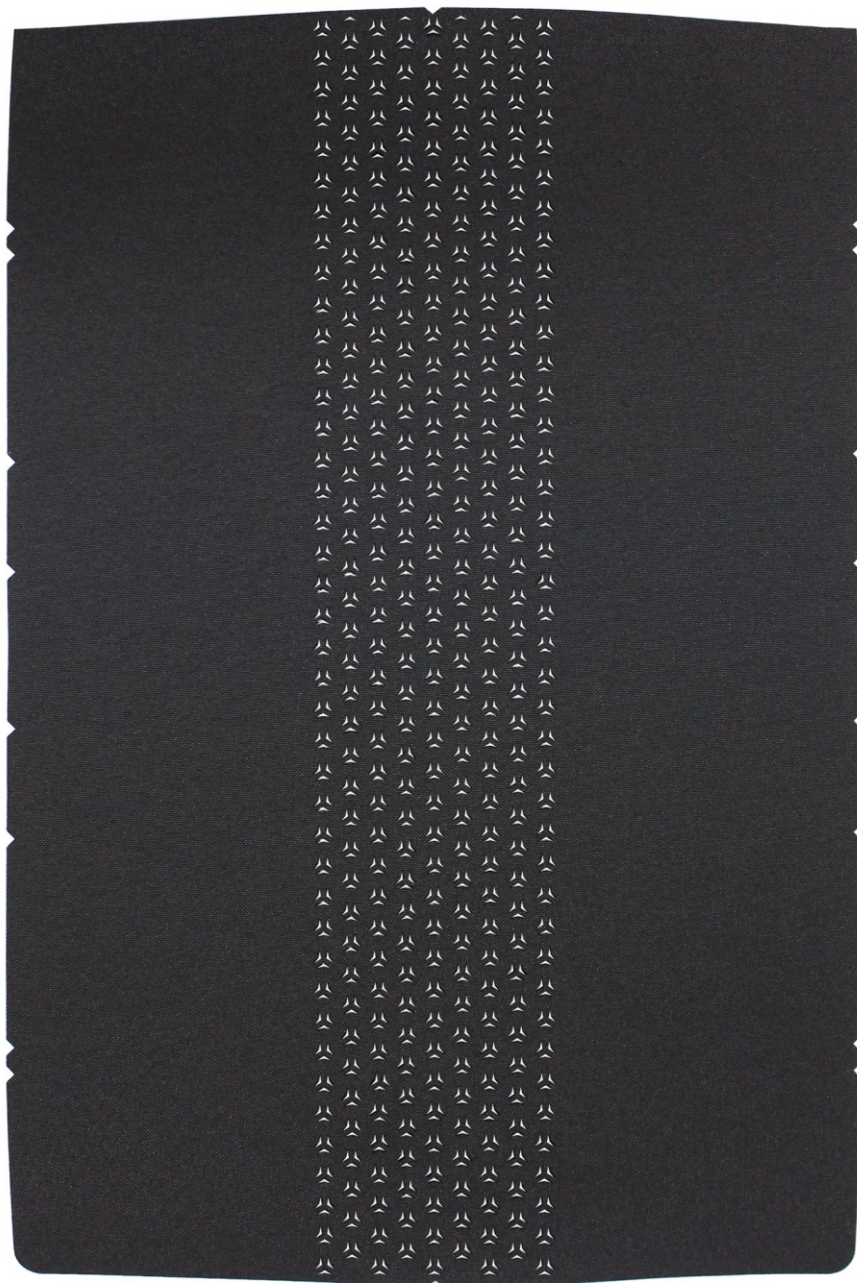

► Fabric laser cutting / Perfuração a Laser em tecido

03

► Fabric laser cutting close-up / Pormenor perfuração a Laser em tecido

02

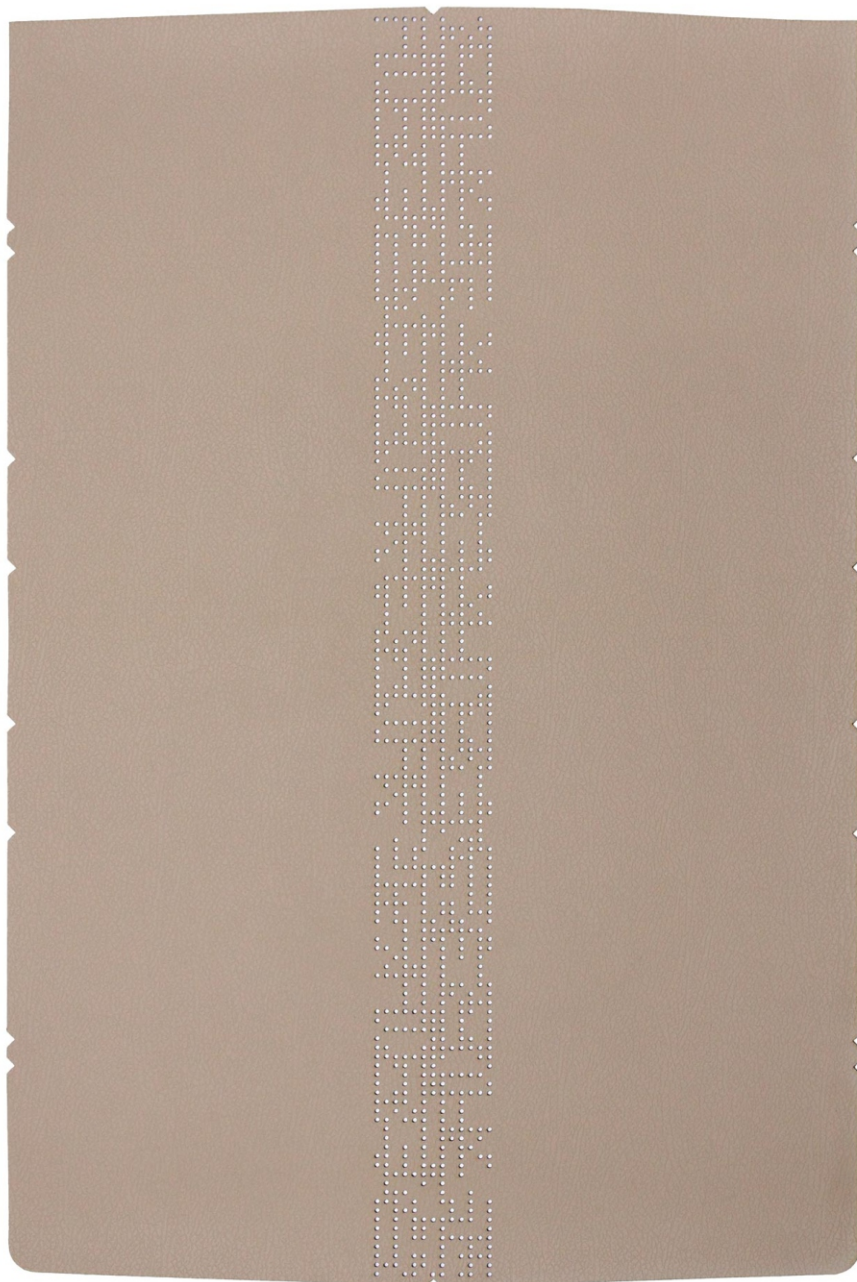

► Fabric laser cutting / Perfuração a Laser em tecido

02

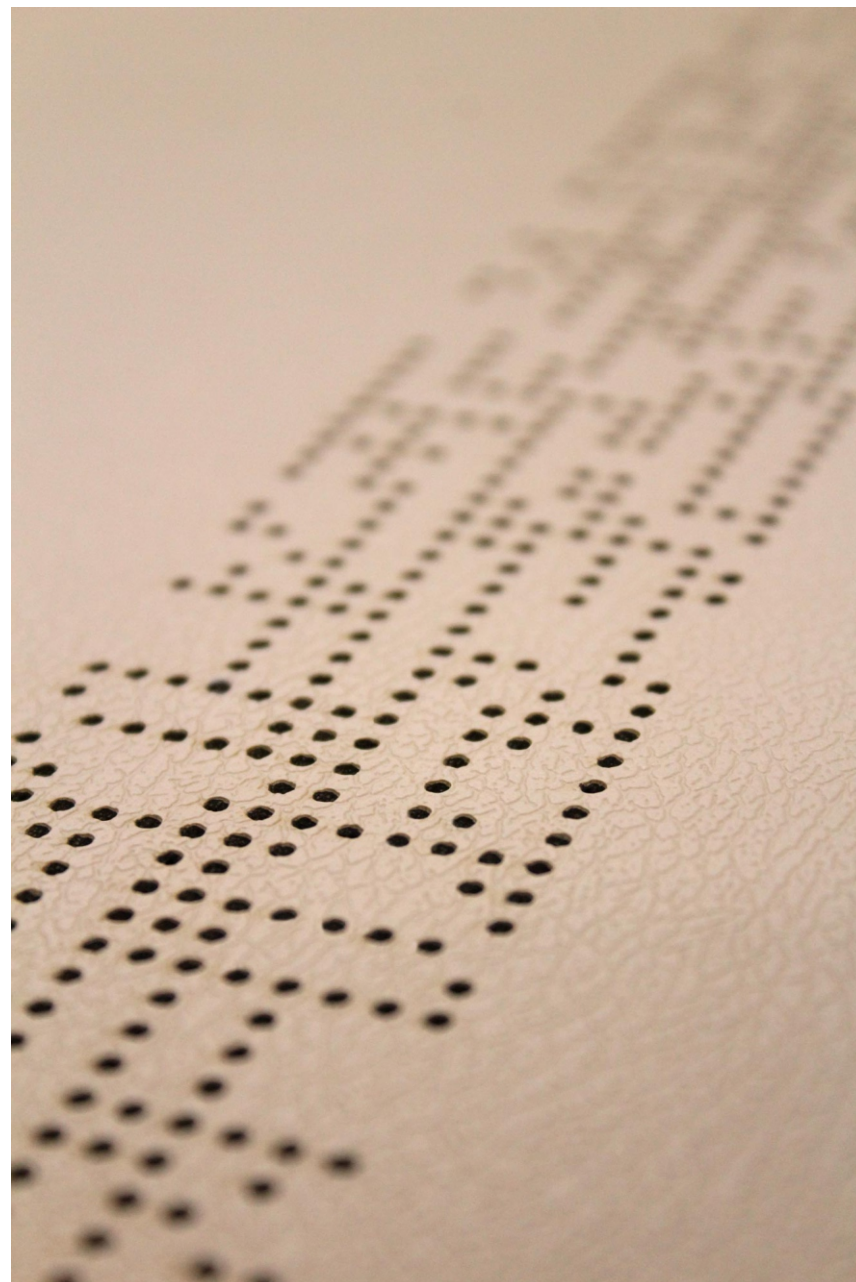

► Fabric laser cutting close-up / Pormenor perfuração a Laser em tecido

01

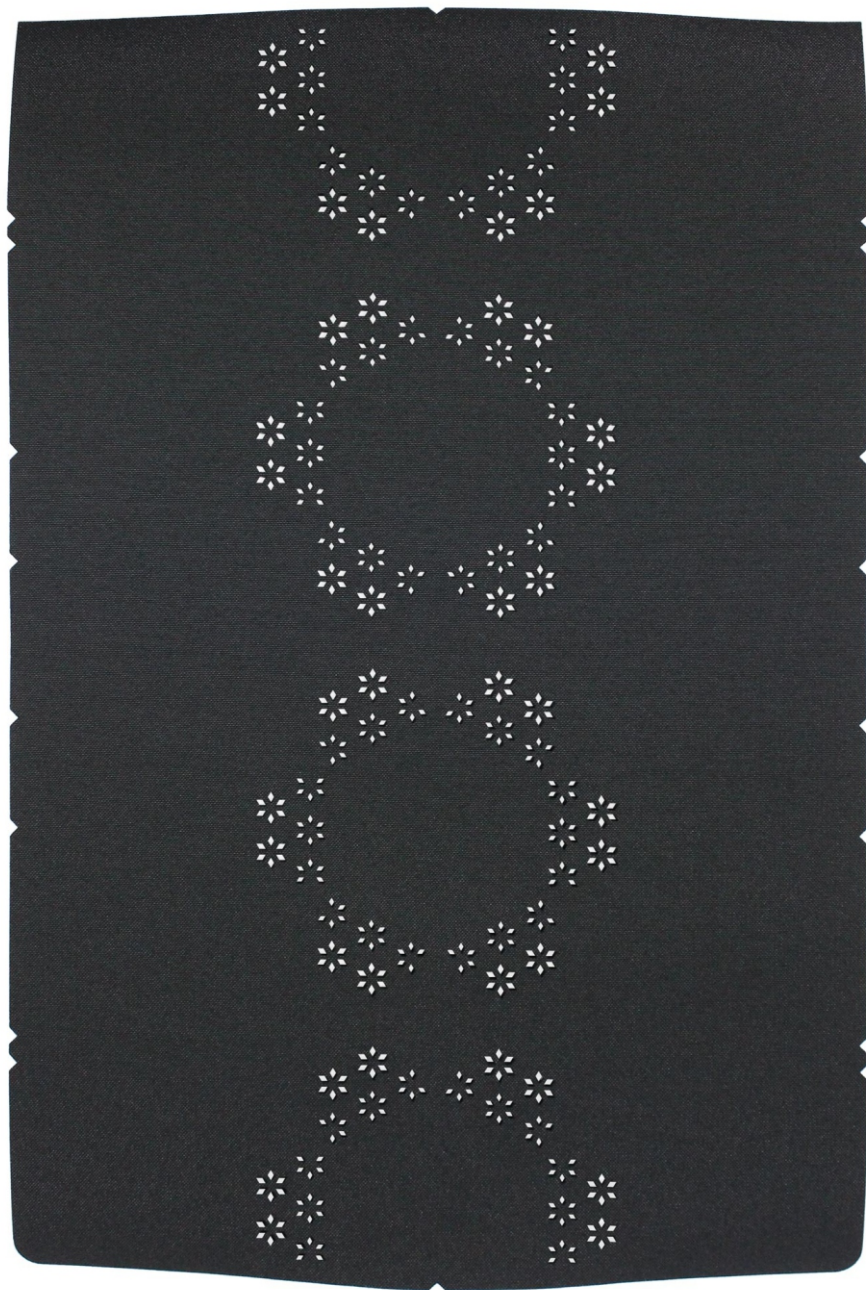

► Leather punch & cutting / Perfuração a punção e corte em pele

01

► Leather punch & cutting close-up / Pormenor de perfuração a punção e corte em pele

03

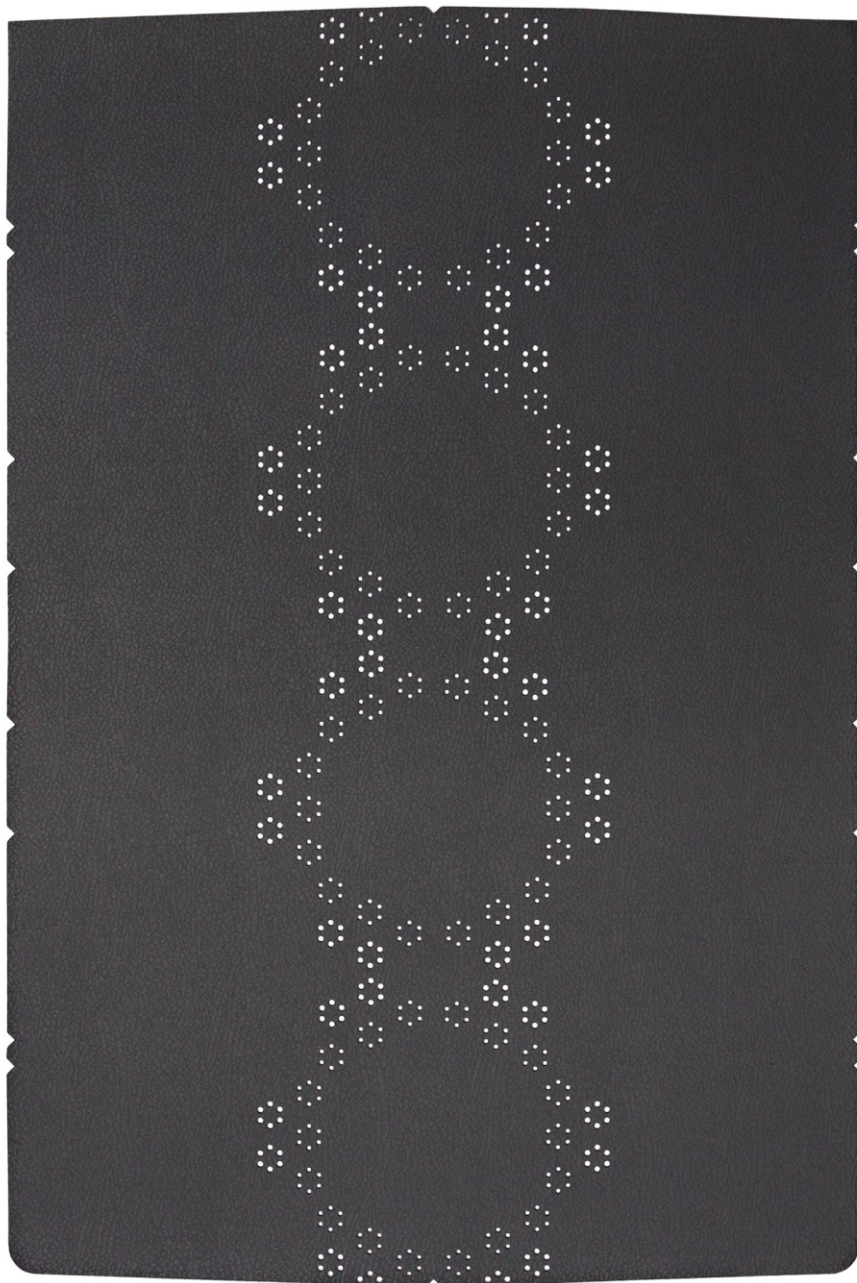

► Fabric laser cutting / Perfuração a Laser em tecido

03

► Fabric laser cutting close-up / Pormenor perfuração a Laser em tecido

03

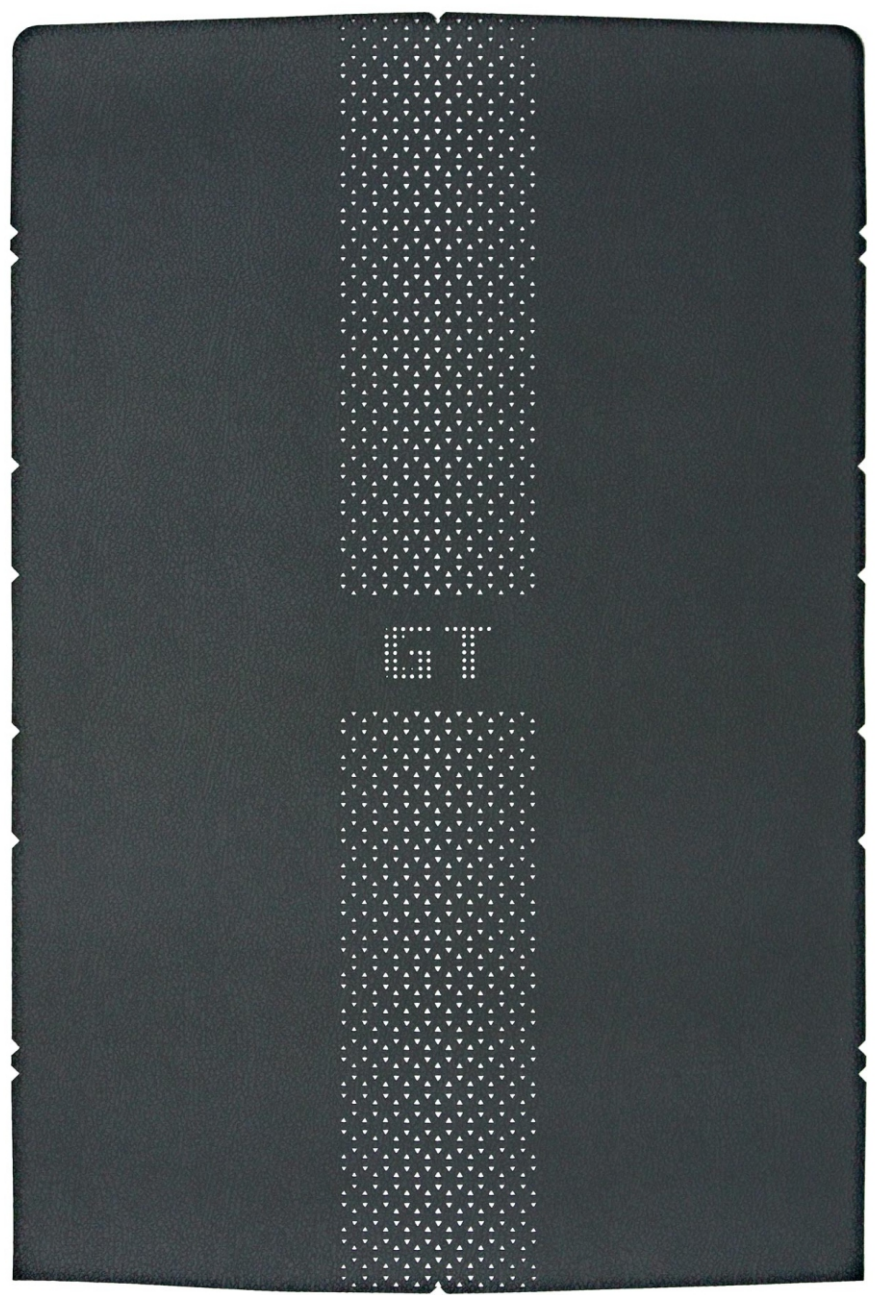

► Leather punch & cutting / Perfuração a punção e corte em pele

03

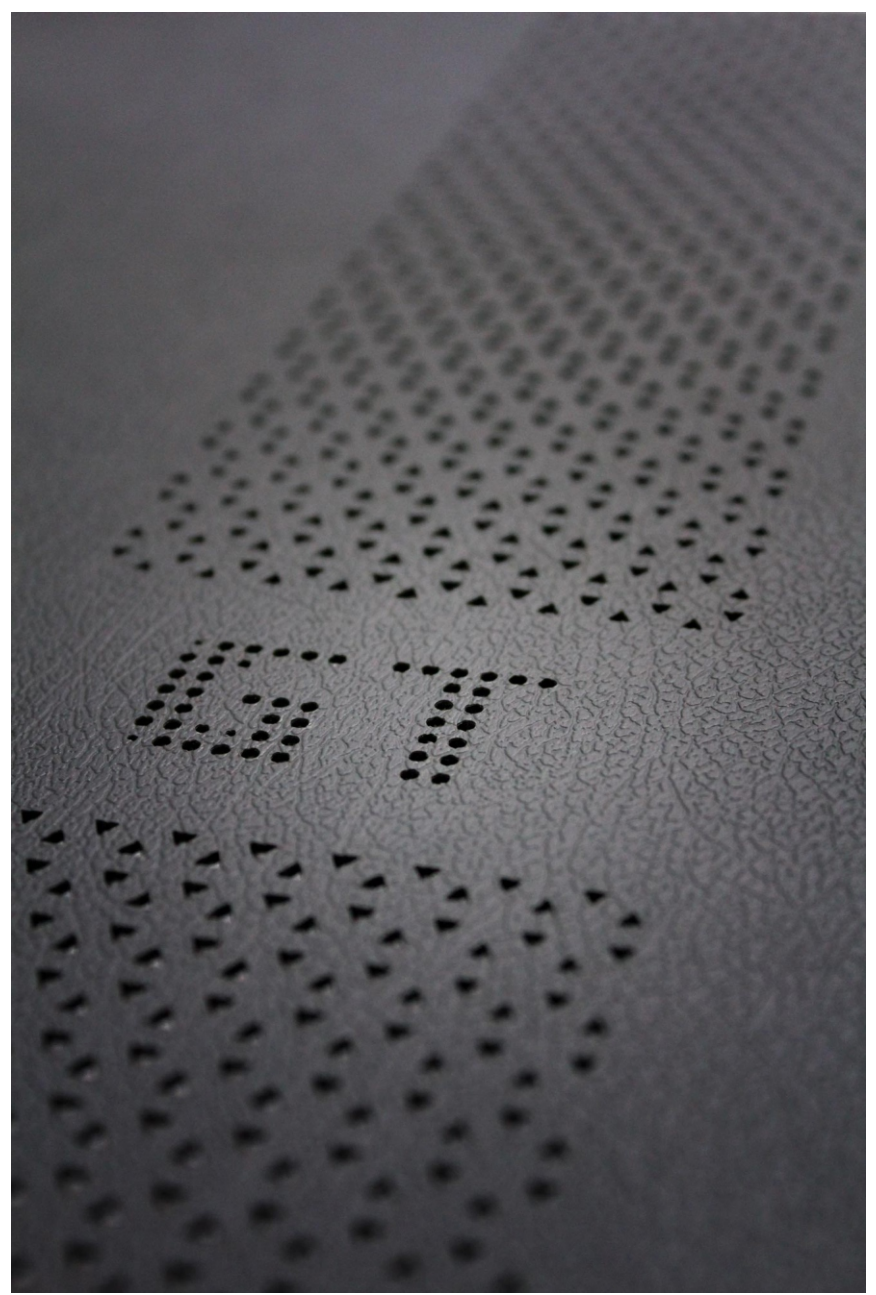

► Leather punch & cutting close-up / Pormenor de perfuração a punção e corte em pele

01

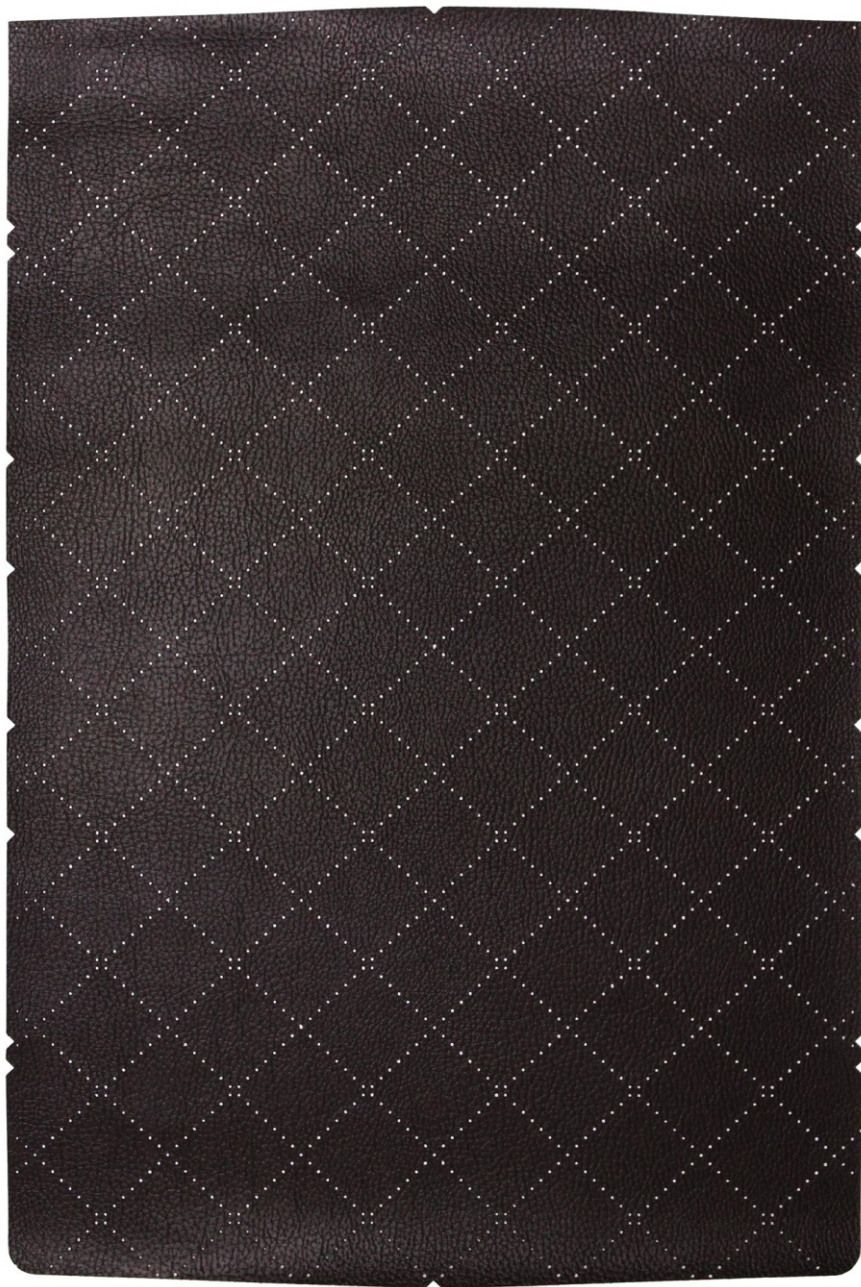

► PVC laser cutting / Perfuração a Laser em PVC

01

► PVC laser cutting close-up / Pormenor perfuração a Laser em PVC

02

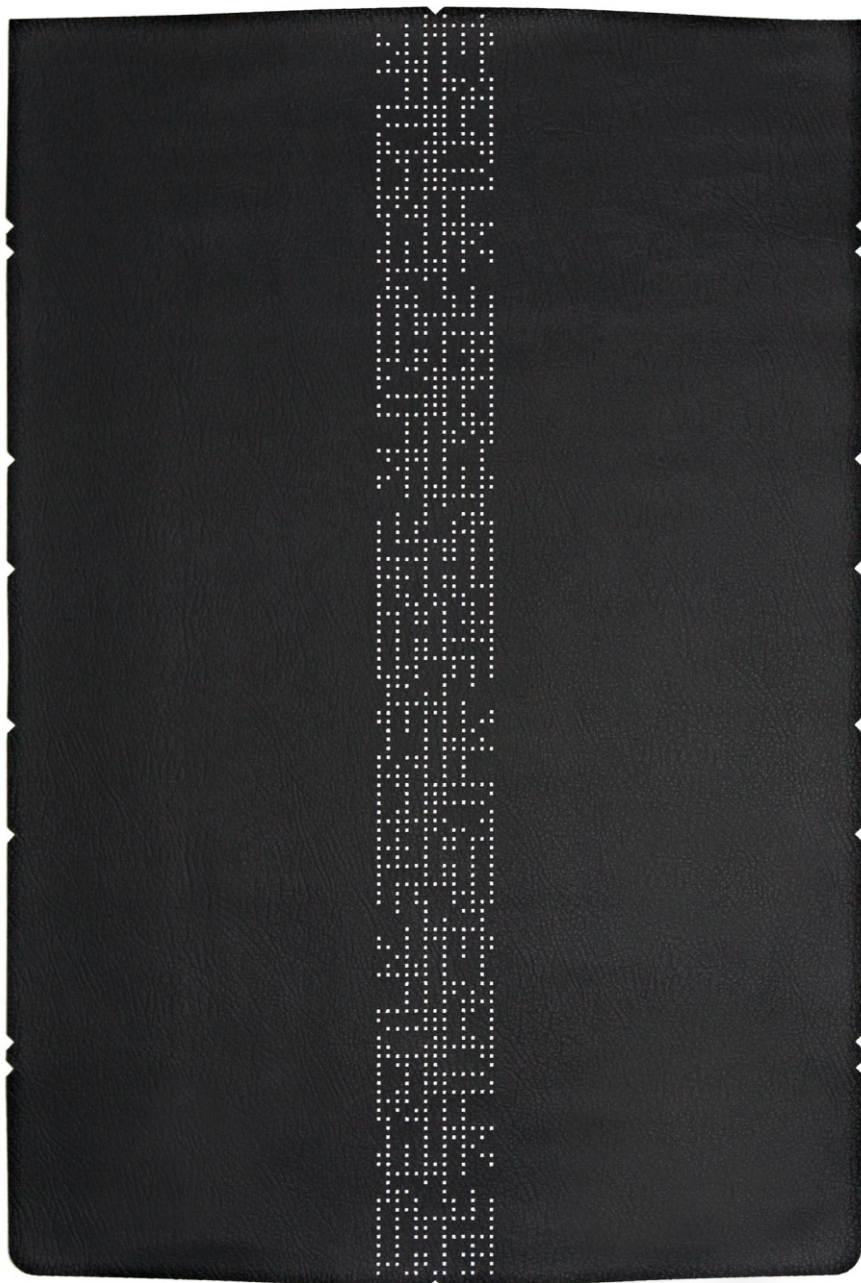

► Leather punch & cutting / Perfuração a punção e corte em pele

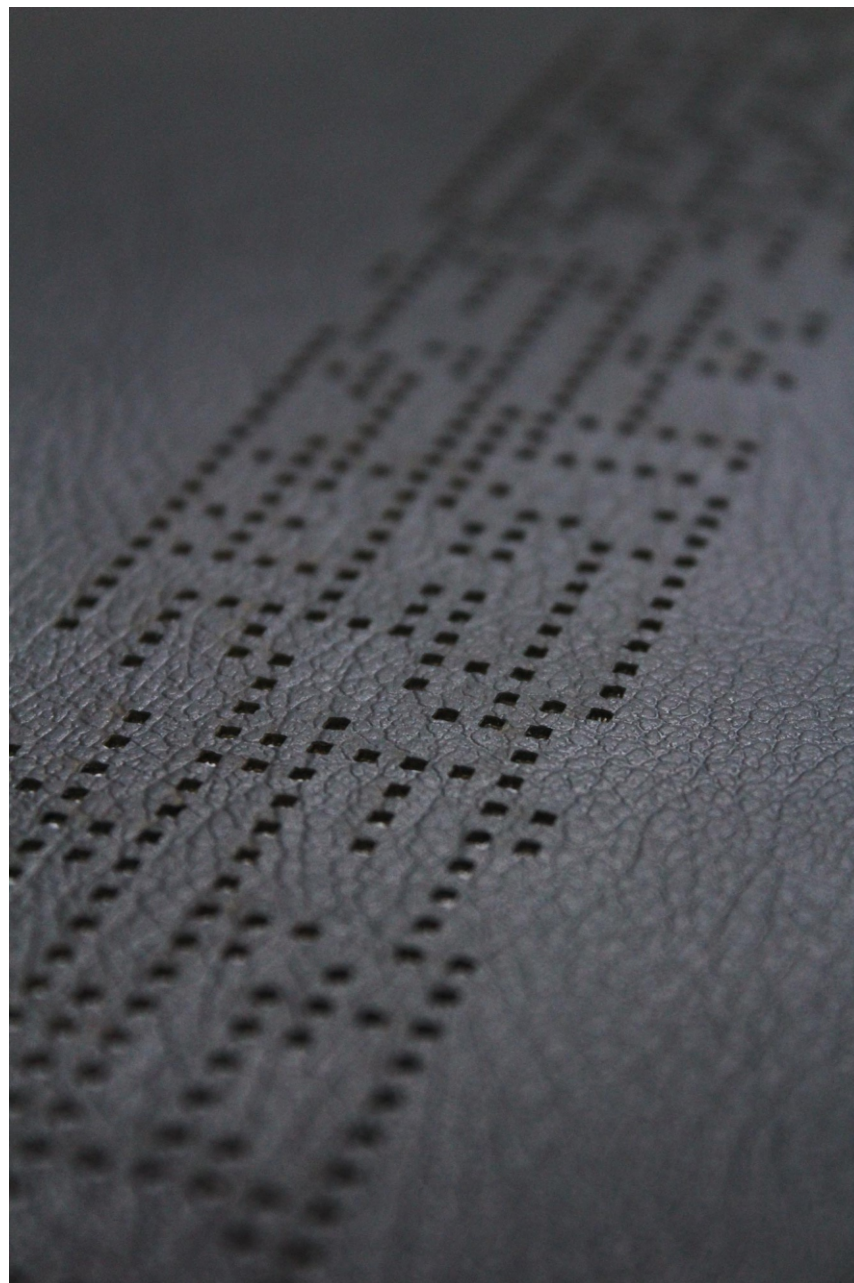

02

► Leather punch & cutting close-up / Pormenor de perfuração a punção e corte em pele

► PVC laser cutting / Perfuração a Laser em PVC

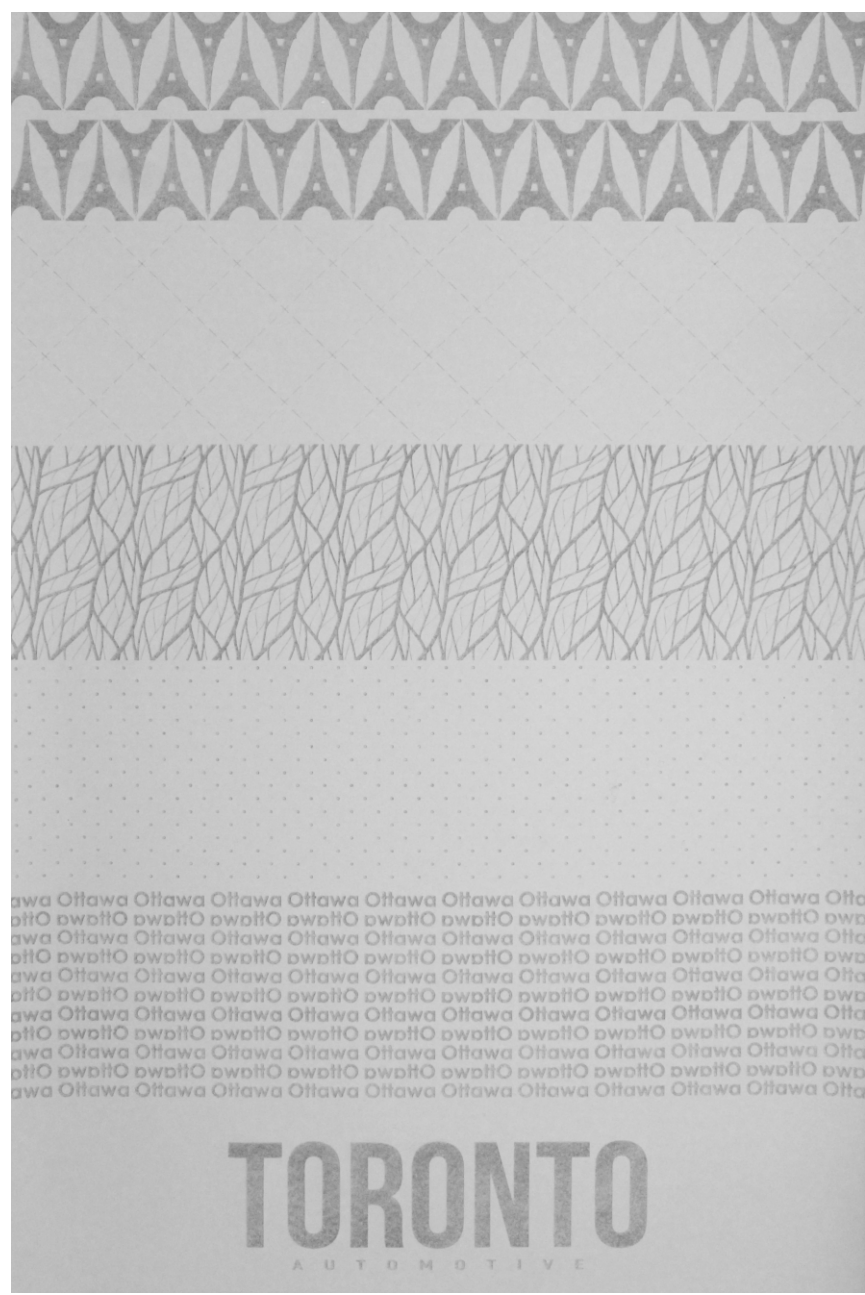

► PVC laser cutting close-up / Pormenor perfuração a Laser em PVC

► PVC laser cutting / Perfuração a Laser em PVC

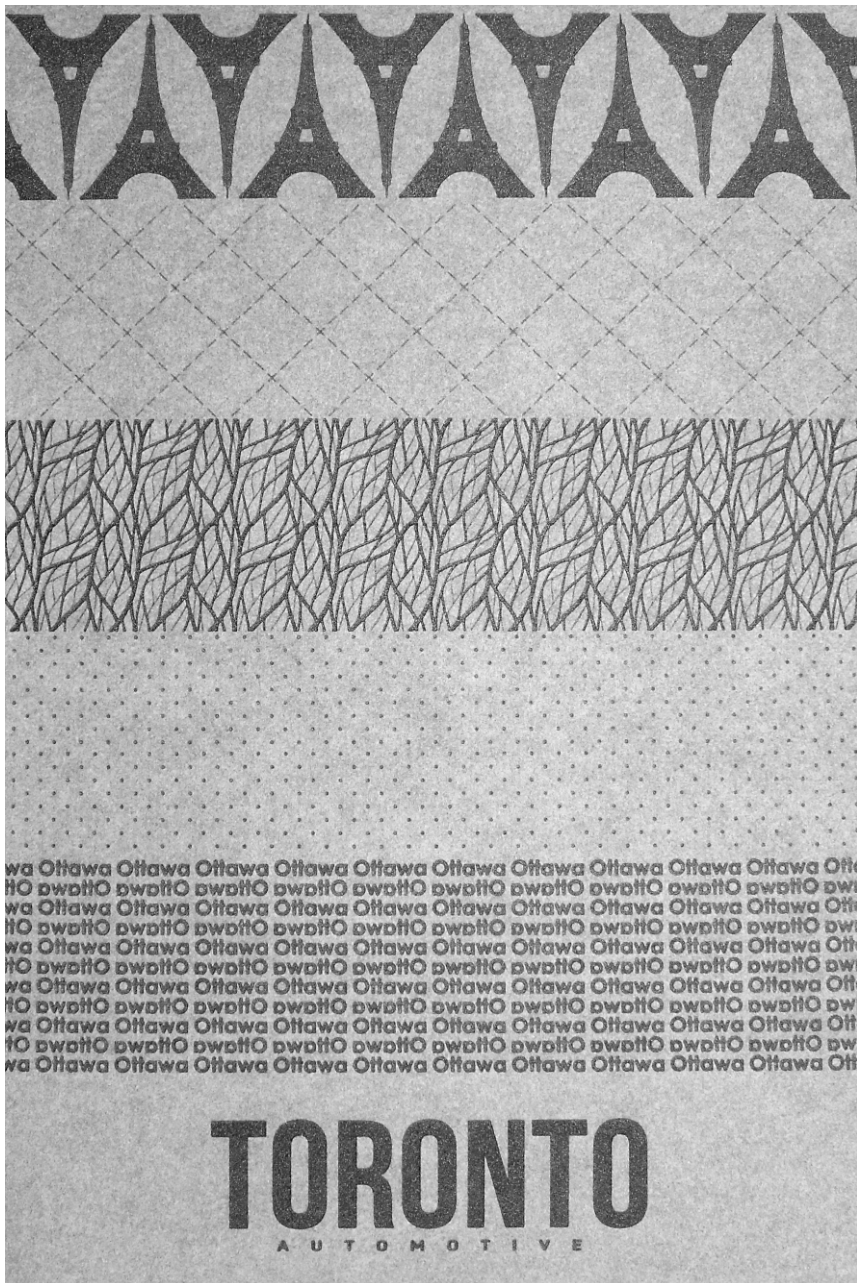

► PVC laser cutting close-up / Pormenor perfuração a Laser em PVC

► PVC galvanometer laser engraving / Gravação laser galvanométrico em PVC

► PVC galvanometer laser engraving close-up / Pormenor gravação laser galvanométrico em PVC

► Velvety PVC galvanometer laser engraving / Gravação laser galvanométrico em PVC aveludado

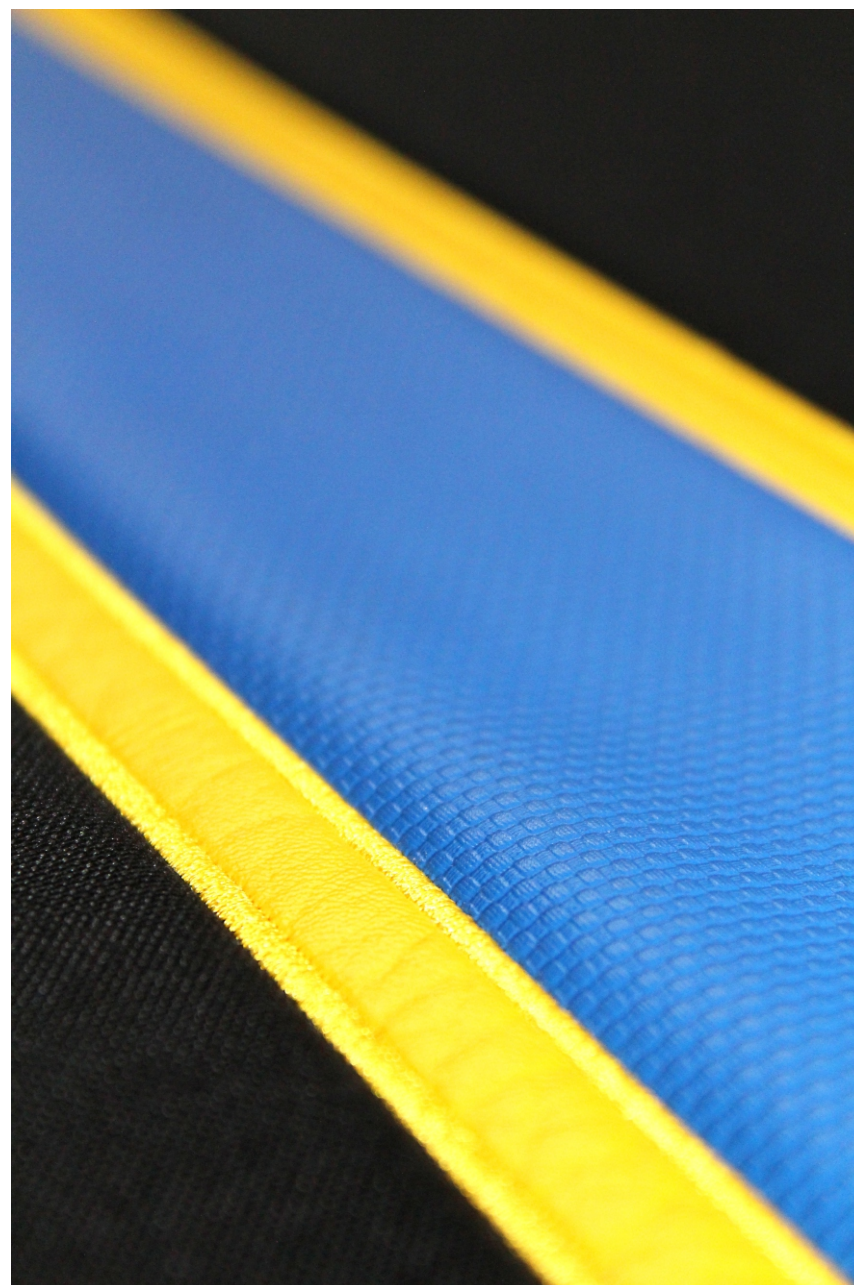

► PVC galvanometer laser engraving close-up / Pormenor gravação laser galvanométrico em PVC

01

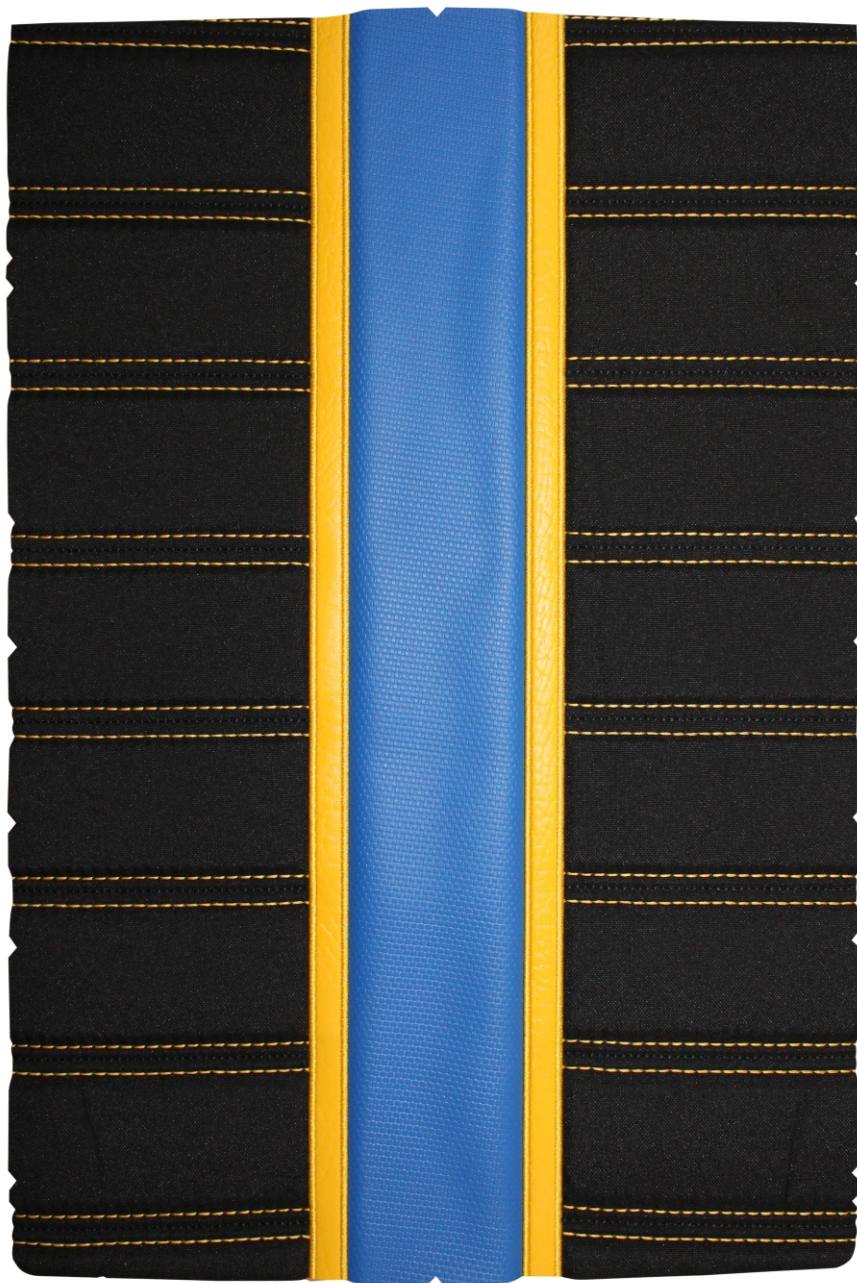

► Embroidered fabric and PVC assembly / Montagem tecido e PVC bordados

01

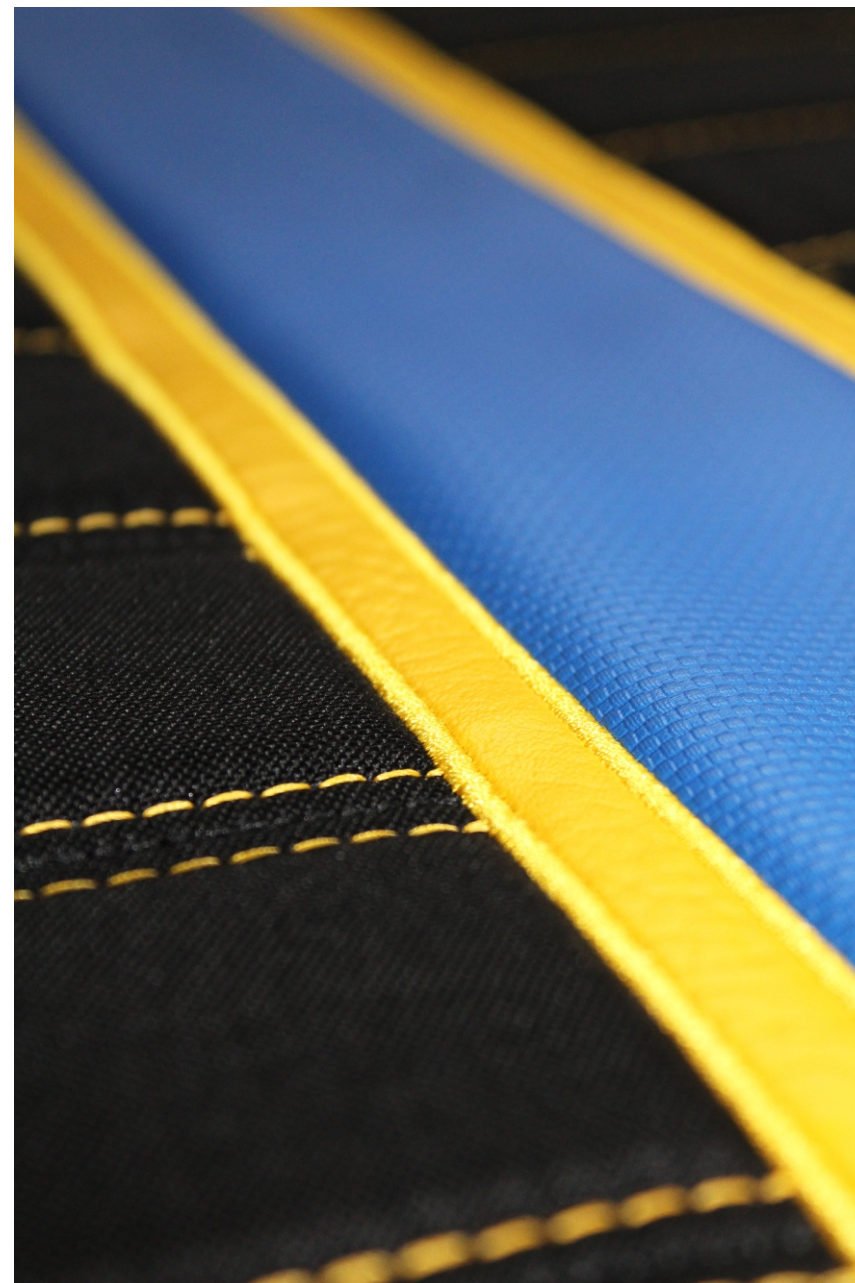

► Embroidered fabric and PVC assembly close-up / Pormenor montagem tecido e PVC bordados

02

► Embroidered fabric and PVC assembly / Montagem tecido e PVC bordados

02

► Embroidered fabric and PVC assembly close-up / Pormenor montagem tecido e PVC bordados

Our location

Zona Industrial dos Matinhos
Apartado 50 – Pavilhão 6 e 7
3200-100 LOUSÃ
COIMBRA - PORTUGAL

Latitude: 40.132595 | 8° 15' 10" W
Longitude: -8.252162 | 40° 07' 56" N

Tel: +351 239 991 401 / +351 912 557 607

Fax: +351 239 992 232
